Wealdstone 1 Waltham Forest 0

Stones won this at the White Lion Ground in the Ryman Division One North. It wasn't a great game, but kept up our stuttering push towards a place in the Ryman Premier—finally achieved thanks to that famous play-off win at Dulwich Hamlet.

Richard Jolly (in his first spell with the Stones) headed the only goal of the game, flicking in a high, hanging cross from centre-back Matt Kidson, who had popped up on the left wing.

The game ended on a bit of a sour note with two of the visitors red-carded. But full marks to their goalkeeper Darren Placid for not getting involved... When the fans pointed out that he was much nicer than some of his team-mates, he replied: "This lot are nothing to do with me, I'm just here on loan!"

One of our fans was not so amused, however. When the Waltham Forest trainer took umbrage at a comment from the terraces he aimed his bucket of filthy water at the direction from whence it came... and soaked our Chairman Nick Symmons, who was standing innocently nearby!
