## FOOTBALL: Victory lifts Bartlett's side up to 13th

# Impressive Stones get back to winning ways

WEALDSTONE emphatically put a smile back on their fans' faces as they ended a sequence of back-to-back defeats with a convincing 4-1 win over Margate on Saturday.

Gordon Bartlett's side showed no mercy on the Kent outfit and inflicted a sixth straight defeat on their visitors and leapfrogged them in the league table.

Wes Parker set them on their way to the win, smashing the ball high into the roof of the net from a Scott Davies corner to open the scoring.

But the visitors refused to submit and, with the swirling wind making it difficult for both sides, they threatened with their pace and movement on the counter attack.

Wealdstone did not heed the warning signs and the visitors duly silenced the vast majority of the 750-strong Easter crowd inside the FreeBets.co.uk Stadium when Danny Green provided the equaliser after the home defence had obligingly opened up for him.

That goal lifted the seashiders, but the Stones refused to buckle under the pressure and with Scott McGleish leading from the front and centre-half Tom Cadmore playing in an unfamiliar midfield berth,

they made sure that was the best the afternoon got for the visitors.

The Stones got their noses back in front when Davies showed great vision to pick out Johnny Wright's clever run into the box and Wright did the rest by planting the ball beyond Chris Lewington to re-establish the home side's lead.

The hosts knew they needed another goal and got it with their third and best of the afternoon.

Keeper Lewington did well to save twice but could do nothing when the ball popped out to Bradley Hudson-Odoi who drilled home to make it 3-1 and put the men in blue firmly in the driving seat.

With the cushion of a two-goal lead, the shackles were off and Wealdstone relaxed and dominated proceedings for the rest of the afternoon. Much-travelled striker Jefferson Louis had a good penalty shout rejected by the officials when he went tumbling inside the box but it did not matter.

The three points were duly wrapped up and sealed on 82 minutes when Tom Hamblin planted a header into the back of the net af-

ter a corner from man-of-the-match Davies had picked him out.

The win lifted Stones up to 13th in the Vanarama National League South table but they didn't have the chance to build on that on Easter Monday when Bishop's Stortford's waterlogged pitch put paid to their hopes of climbing up the table further with successive Easter wins.

That will now have to wait until Saturday when they host Havant and Waterlooville. Meanwhile, the Bishop's Stortford game has been re-arranged for Tuesday April 19.

Elsewhere, the club have confirmed there has been considerable interest – both internal and external – in the role of becoming the new chairman.

## Boro leave it late to earn point

**HARROW BOOSTED BY DRAW AHEAD OF CLASH WITH LEAGUE'S BOTTOM SIDE**

A LAST-GASP equaliser by Dylan Cascoe ended Harrow Borough's dire run of away defeats and gave them their first point on their travels since December.

The substitute's 90th minute leveller earned them a deserved 1-1 draw on Saturday at Staines Town to raise spirits ahead of their weekend trip to the Ryman League Premier Division's bottom club VCD Athletic.

He reacted first to fire home after James Dobson's effort had only been parried by keeper Jack Turner to cue delirium among the visiting players.

Boro remain 19th in the table but there was plenty to admire from their committed and battling performance against their Middlesex neighbours, not least the way they stuck at it when it looked like being another disappointing afternoon.

The omens weren't good when Marc Charles-Smith spurned an excellent opportunity to put them ahead as he failed with a soft penalty – his second spot-kick miss in three attempts.

But Harrow could console themselves with the fact that they reached half-time goalless for only the third time in 13 games.

However, just eight minutes into the second half, they conceded when a defensive mix-up presented Ryan Gondoh with a chance he didn't miss.

Harrow went close through David Taylor before Cascoe's late goal.

TREATMENT therapy via High frequency/UVL

LadyGee hair loss specialist use high frequency current (ultra violet light) which stimulates the surface of the scalp by means of the HF electrodes that massages the cells of the scalp, improving the process of nourishment, stimulates local blood circulation and local glandular activity, supplies heat and is soothing to the nervous system of the scalp.

**The major benefits of UVL Therapy are:**

- It encourages an increase of hair growth when follicles are present.
- It helps the progression of fine hair into more substantial growth
- UVL encourages an increase of blood supply to the scalp
- It speeds the actual growth of the hair
- The UVL acts to close the cuticle of the hair shaft making the existing hair stronger and less prone to damage.
- Treated hair becomes shinier, healthier, stronger, less porous and more resilient against breakage.
- We have had much success with our UVL therapy for the treatment of Alopecia.
