Town sink to bottom of table

TEAM THRASHED WHILE HARROW ALSO STRUGGLE

HARROW Town sunk to the bottom of the Middlesex County Cricket League after a 143-run loss away at high-flying Wembley.

Opener Moazzam Rizvi's excellent 107 from 104 balls helped Wembley to 184 for six by the time he was dismissed through Gishan Herath's catch; his 94-run fourth wicket partnership with Vinay Shah was the leading one for his side.

Uzairuddin Mohammed made sure Town were at least dismissing the Wembley players, taking five wickets for 66 runs, but a helpful score of 32 from Chirag Amin helped increase the hosts' total to 247 all out.

It was a score that struggling Town would have found a difficult task on any day, not least after three of their opening batsmen were dismissed early on, with Asim Mohammed (1) and Gishan Herath (0) taken by the impressive bowling of Vibhor Yadav (6-28).

Sanjay Mishra top-scored with 64, but with only 24 added elsewhere, along with 13 extras, Town stumbled to 104 all out.

Harrow, meanwhile, sit just a point above Town in the table after a 46-run loss to Middlesex Tamil Sports & Social Club.

Ronald Etienne took six wickets for 11 runs in by far Harrow's best performance of the day, which limited MTSSC to just 99 all out in the opening innings.

However, a dire time at the crease for the hosts saw Muhammad Wali post a top score of only 19, while Saad Malik (6) and Sadam Zabith's (5) partnership of 11 was the best of Harrow's 53 all out score, extending their losing run to four games.

Stones make two additions

WEALDSTONE have further added to their squad for the 2019/20 National League season with the additions of Dennon Lewis and Ross Lafayette.

Forward Lewis joins from National League side Bromley having previously come through the academy at Watford, while Lafayette returns to the club after a brief spell in 2009.

After earning a professional contract with Watford in 2015, 22-year-old Lewis garnered most of his experience with loan spells at National League side Woking and in League Two with Crawley Town.

Last summer, he moved north of the border to join Scottish Championship side Falkirk, where he scored twice in 23 appearances, before returning to England to link up with Bromley at the start of this year.

He made four appearances for the Ravens during his time at Hayes Lane but failed to find the net.

New Stones manager Dean Brennan told the club's website: "We are delighted

By Nat Goodlad

that Dennon has decided to join us. Collectively, as a club, we worked extremely hard to get this deal completed. Dennon is a young, exciting and talented player who has only ever played at a higher level.

"We have tracked Dennon for the past few years. He is the type of player that will have our fans on the edge of their seats."

Meanwhile, 33-year-old Lafayette returns to Grosvenor Vale after a number of years at a host of clubs across the National League and National League South.

He joins from Billericay Town but his best spell of recent times came in the 2016/17 season when he scored 12 goals in 44 appearances for Dover Athletic.

He also gained Football League experience in a stint with Luton Town but had two separate loans away from the Hatters, at Woking and Welling United.
