Audrey & Carol

Good afternoon ladies and gentlemen,

This afternoon, we are honoured to receive Wealdstone, one of the country's leading amateur clubs, and members of the elite Isthmian League. They are currently third in the table with two games in hand.

As can be seen from their line-up, they include two Internationals and several County players, and County Caps are not easily won in the London area.

We welcome them to Torpoint and hope they enjoy their brief visit to the Westcountry.

We have always hoped for a 'plum' draw, so this afternoon, supporters will have the chance of seeing the best in amateur soccer.

Our visitors won the Amateur Cup as recently as 1966, when they defeated Hendon at Wembley, and last year were narrowly beaten by losing finalists, Skelmersdale.

A tremendous task faces our lads today, but they are confident that with your support, they can give their illustrious opponents a good run. It is safe to say that this is the best team Torpoint has ever had. Team spirit has never been better and if they go down today, it will not have been for want of trying. Don't let it be said it was through lack of support.

Spare a thought for regular right winger, Roger Thompson, who has been seriously ill and must be bitterly disappointed at missing today's game. Happily young Roger is on the road to recovery. We wish him well and hope he will soon be back in harness.

The Committee would like to take this opportunity of thanking everyone in the town who have helped towards today's game, especially the trades people. In our geographical position the Amateur Cup is something of a gamble, and without your help, could be financially disastrous, as our usual 'Gates' rarely cover Referees' expenses.

We ask all new spectators not to forget us after today's game, but to come along again. The lads have, after all, proved over the years that they are the best amateur team in the West.

FORTHCOMING MATCHES:

January 20th - Helston (Home) Cornwall Senior Cup

February 3rd - Devon v Cornwall (Home Park, Plymouth)

February 10th - St. Blazey (Home) Cornwall Charity Cup
