## CLUB NOTES

Good Evening Ladies and Gentlemen,

To-night it gives us very great pleasure in welcoming to this ground, for our last home league match, the officials, players and supporters of Clapton F.C. We have already beaten our visitors twice this season, once in the London Senior Cup last November, and more recently on their ground. We certainly hope to do the hat-trick to-night, to improve our league position.

Clapton are coached by former West Ham and Manchester United player, Eddie Lewis, and in his first season with them, hasn't done too badly. This time of the season with nothing much at stake, clubs usually try out young reserves, with a view to seeing what they have for next season, but Clapton have been represented mainly by such players as John Kerr, who has played for Essex on many occasions, and has also represented the South v. North. Colin Watson at left half showed himself to be a very strong tackler, and distributor, and never missed a game last

year. John Chivers was a prolific scorer last season, and graduated to the first team via the youth side, Chris Ballard, aged 20 is another fine prospect, and has scored many goals this year. Terry Moore in goal has few superiors in Amateur Football, and certainly saved his side from a much heavier defeat against us. On the whole Clapton are a very young and fit side, who are sure to make us go all out.

There are a spate of games for our supporters yet, this coming Thursday evening we are away to Wembley in the first leg of the Presidents Cup, then on Saturday 10th May, we are away to Tooting for what will be our last Isthmian league match of the season, on the 11th May, which is a Sunday, we will be playing the return game with Wembley K.O. 11 a.m. both games incidentally will be in aid of the respective clubs tour, and we finally close the season with a home fixture with Watford F.C. in the M.1 floodlight league. There you have it then Thursday 8th May away to Wembley, Saturday 10th May away to Tooting, Sunday 11th May, home to Wembley, Monday 12th May, home to

Watford. Our reserves will close their programme with a home fixture next Saturday 10th May, against Corinthian Casuals reserves.

We don't know how the lads got on last Saturday away to much improved Maidstone, as these notes have to be written much before that day, but they certainly had a very good win away to Woking last Tuesday, when after being two goals in arrears at half time, we fought back and won by three goals to two. Keith Searle 2, and Hughie Lindsay being our scorers. It is in our away fixtures throughout the season, that we seem to play our best football, maybe the boys have tried too hard to please our supporters, here at Wealdstone. But there it is, we haven't done at all badly, we have unearthed some very good youngsters who will serve us well next year, we reached the quarter final of the Amateur Cup, we gave beatings to professional clubs Dunstable and Banbury, and we are finishing in a very high position in the league. Our reserves have also done very well in their league, and

will probably finish second or third, but the beauty of it all, is that many reserves have come into the first team during the course of the season, and some have really established themselves, and have ousted many experienced players. Many of us feel, that with one or two strengthenings, we can really go places next year, and that the youngsters in our team, will have benefitted by Dave Underwood's coaching, and will really make a name for themselves in the very near future.

The committee have chosen Wealdstone's sportsman of the year, it will be a surprise to the person concerned, when it is announced at the club's Dinner and Dance to be held in the club hall, on 16th May. All we can say at the moment is that it

is a very good choice, and the person concerned has deserved this honour.

Micky Doyle was chosen to play for the Isthmian league v. Athenian league last week, on Kingstonian F.C. ground, and although on the losing side, Micky didn't let himself or Wealdstone down. Both Athenian goals incidently was scored by our former player Keiron Somers, who has been popping them in for Walton this season.

We again appeal to our supporters who can give a hand on the ground on Sunday mornings throughout the summer months, and so enable Nobby and Jeff Palmer to concentrate on keeping the pitch in good condition. Any help of any sort will be greatly appreciated.

There are a few vacancies in our 200 club, please contact Tom Verrall for further particulars, and remember that twice a year £500 can be won, apart from the usual £5 which is drawn for every week.

We wish to thank our supporters once again for the support that they have given the club throughout the season, and we hope to reward you

all, by some sterling performances next season, and we hope some major honours.

See you all next Sunday morning at 11 a.m.

Will any of our supporters who are in business and wish to have an advert in the programme for next season, will they please contact Mr. Luck or Mr. Benjamin as soon as possible, as we have many people contacting us this time of the year, and space is very limited. H. J. B.

#### 200 CLUB

On Friday last a very successful social was held for members of the 200 Club. Dancing was led by the band conducted by Charlie Barber and a buffet was provided for approximately 140 members and guests who were present. The highlight of the evening was the draw for the £500 car prize and this was won by Mr. J. Ward of 46 Drury Road, Harrow. The £5 prize was won by Mr. R. Turnell and it was pointed out that there were several vacancies for the coming 26 weeks and anyone who is interested should contact the Hon. Secretary of the 200 Club, Tom Verrall.

### SUPPORTERS CLUB NOTES

Good Evening Ladies & Gentlemen

Welcome back to Lower Mead where this evening we have the pleasure to entertain our old friends from Clapton in our last home Isthmian League clash of the season. This is our third match between the clubs this season and so far the 'Stones have won both; 2-1 in a London Senior Cup tie at Lower Mead and a 3-1 league victory at the Spotted Dog ground where Keith Searle notched a hat-trick. However, I'm sure Clapton will be out for vengeance to-night and we can anticipate a keen contest.

Since our last home match the 'Stones have picked up four points from two away games at Woking, where the lads staged a magnificent second-half fight-back from 2-0 down, to win 3-2 and at Maidstone where we won 2-0.

Unfortunately our home form doesn't seem to back up our great form away. One of the reasons for this I feel is the lack of vocal support at Lower Mead so let's help make the team more confident by cheering them on, even when the ball isn't running for them or when they are a goal or so down.

Next Thursday the 'Stones are away to Wembley in the first leg of the President's Memorial Trophy and owing to the short distance involved there will be **NO** coaches running.

However, this is not the case next Saturday when we visit Tooting & Mitcham United. If you wish to travel to this game please contact Barbara Robson either in the club office or by phoning her (422 0799).

Now to to-night's match, let's cheer the lads to a long-overdue home victory with an inspiring cry of
