ON THE BALL

with
Brian Hall

OUR Supporters take the limelight today, because I believe they were apparently responsible for our win at Dartford on Tuesday, when despite being in the minority managed to outcheer the opposition. Congratulations on your victory, you really are a unique band of people. A month or so ago I was at Gateshead watching a game against Boston, when Nick Symmons one of our Supporters sat next to me! Our followers are the most travelled in non league, and I also believe the most generous and helpful.

During the close season they completely financed the renewal of all our training kit, involving training tops and trousers, balls, training bibs, socks, pads and a multitude of accessories necessary in a football club. I recognise their unsung generosity, because their contribution to our Club is in an area which is never seen on match days, only training days, nevertheless very important days, thanks very much.

I have another venture that has been brought to my attention, and in this one I am more than prepared to meet you personally, and in fact bring some players with me, to talk with any of our supporters. It concerns the old subject of bad language. I recently looked in my ever faithful dictionary for the meaning of the verb "to manage". It states - to govern, to train, or to influence. For my part with Les Reed, I tried to govern our dressing room and team performance. We train our players hopefully correctly in our tactics, fitness and behaviour both on and off the field. May I now see if I can influence the whole of the Club in curbing the distasteful language of a very small section who stand on the terraces. Our "Pebbles Club" is bringing in many youngsters with their parents, and we want everybody to enjoy Wealdstone Football Club. It is a personal appeal, and as I am answerable to Directors, Parents, Press, and Critics, I sincerely ask for your co-operation with an all out "clean up" campaign.

Lets be the top Club in every area, and I am sure that if Messrs. P. Mackenzie & Co. made an award for "Supporters of the Month", you would win it hands down.

Thanks for your help.

THE MORRITT HOMES CAPITAL FOOTBALL LEAGUE

DURING the past few years the absence of reserve team football here at Wealdstone has caused much comment. How can a team prosper without a reserve side? How can a player regain match fitness after injury without a reserve side? These are just two of many questions that have been asked since we last ran a second eleven.

Our manager Brian Hall has, always appreciated the necessity of a reserve team, but is shrewd enough to realise that the standard of football played at this level must be conducive to players hoping to appear in the first team. You will recall that we used to have a reserve team in the Suburban League but with the greatest respect the wide gap in standard between that league and the now named Gola League meant that there was little benefit for our club at all. Attemr is were made to enter other leagues of a higher standard but regrettably these failed.

However, three years of careful thought, clever planning, hard negotiating, and liaison with other clubs by Brian Hall plus enormous quantities of paperwork by Peter Braxton have now proved worthwhile with the birth of the :-

MORRITT HOMES CAPITAL FOOTBALL LEAGUE

The league which commences next month will consist of the following eight clubs - Wimbledon, Orient, Brentford and Gillingham from the Cannon League, and Barnet, Enfield Dagenham and Wealdstone from the Gola League.

The League has been fully sanctioned by the Football Association and a management committee and officers have been duly elected. Ken Wiltshire has been elected Chairman, Brian Hall - Vice Chairman and Peter Braxton - Secretary.

Obviously, in this day and age it is essential that football clubs such as those listed above only undertake schemes that will not lead to them making a loss at the end of the day. By applying this principle it has been agreed that the format of the league will be:-

- 1) Each team will play each other team once.
- 2) When the match is between two Cannon League teams the match will be played on either club's ground with home advantage being alternated season to season.
- 3) This principle will also apply to matches between Gola league clubs.
- 4) When a Gola League club plays a Cannon League club the Gola club will always be at home.

It was felt that potentially the Gola clubs would achieve far better gates when entertaining a Cannon League team than vice-versa.

During the rest of the season we at Wealdstone trust that you our supporters will help to make this venture a great success.

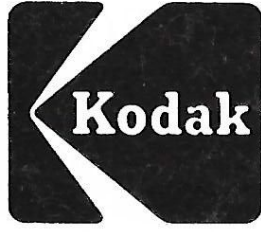

Brian Hall, as already mentioned, has strived for a long time to set the league up and when, on the 16th October, we play Brentford here at Lower Mead, in our opening Morrith Homes Capital Football League fixture it will be for him a dream realised.

As you can see by the title of the League, the Company of our own Chairman, David Morrith, have graciously agreed to sponsor the League during its first season and everyone connected with the League is deeply indebted to Morrith Homes, for their most generous gesture.

More information will be given in following programmes but for now we list the opening fixtures which will be played during October with dates to be agreed between the participating clubs. Wealdstone

Mackenzies Whisky Manager of the Month

OUR congratulations go to Manger, Brian Hall on being awarded the "Mackenzies Manger of the Month Award" for September.

The presentation of this award will be made before the kick-off today by Mr. Alan Parry of Mackenzies who will be accompanied by Mr. Peter Hunter, Secretary of the Gola League.

Well done Brian, keep up the good work.

STONES SHOP NEWS

THE long-awaited copies of the F.A. Non-League Directory 1985 have been received ahead of schedule from the publishers and compare most favourably with last year's more expensive Rothmans production. Supporters who have ordered their copies may call at the club shop to collect them, but in view of the sizeable cost of the annuals there are NO spare copies for those who did not heed our previous request to place a firm order. In a volume of over 600 pages there will inevitably be found a few errors, but it is strange how in recent issues Wealdstone seem to be picked out in particular! This year's copy gives Nigel Johnson as our leading goalscorer last season without a mention of the second top scorer in the whole Alliance, Mark Graves. Our second highest marksman was Paul Bennett (??) if we were to believe the Directory! Congratulations also to Kingsbury Town who have surprisingly found a place in the Gola League - quite rapid progress for a side who have only just made the Isthmian League in reality! Joking apart the annual is an excellent read and a credit to the Editor Tony Williams and his new unsponsored publishers.

Current season's Gola League and Football League programmes are growing in availability in the club shop. Selections of programmes from other Non-League clubs have been arriving from all parts of the country including a number from those formidable Northern Leaguers, Blyth Spartans whose lapel badges are now available here also.

Several of the "bargain bundles" of Wealdstone programmes have been snapped up and more have been made up to cater for the continuing demand. Whilst stocks last, fifty assorted programmes spanning ten years or so of Wealdstone home games can be obtained for just 25p. A number of older Wealdstone programmes dating back to the 1950s are also on offer to serious collectors. A dealer paid us £7 recently for two friendly programmes from the mid-fifties against the famous old club, Pegasus, so donations of old programmes from supporters can be seen to be of great use to the club shop.

After scoring five in our opening F.A. Cup match at Hounslow, and then six in our second qualifying round match against Dunstable, bets are being taken as to whether we can continue the progression and net seven at Grays! At least there is comfort knowing that on current defensive form eleven goals by the time we play Watford in the third round proper is far from impossible!

SUPPORTERS CLUB NEWS

GOOD AFTERNOON everyone. Today we extend a warm welcome to our old friends from Telford United F.C. and I am sure a very close-fought encounter will ensue – matches against this outfit are never easy. Whenever we play Telford I always think of good old Jack Bentley – what a great player he was!!

Last Saturday was a good day all round. Firstly we overcame Dunstable in an incident-packed game; I suppose Dunstable could most diplomatically be described as “uncompromising” as a football team. You, no doubt, may have a broader definition. Still, we won! Then we learnt that little Grays Athletic had beaten Sutton 3-1. I think that “the boys from Rathbone Street” have done us a big favour, but no game in the F.A. Cup can be taken lightly – as Sutton found out in a big way! Lastly the day ended with a really fun night at Dennis Byatt’s Disco in Morrists. Some of the players are as entertaining off the pitch as on it!!

The game at Dartford on Tuesday was something else again . . . Our vast away following witnessed another thriller, when the lads clawed themselves back from a 1-2 scoreline, and finally came out with a heart-stopping 3-2 victory. The win was all the more impressive because we had to completely reshuffle the team formation with the losses of Robin Wainwright and Steve McCargo due to injuries; this meant that Nigel Johnson made a welcome return to the side. Incidentally I think Alan Cordice had a brilliant game and displayed total commitment. If this isn’t Championship form then what is?

It isn’t all good news however because SFC Wealdstone recorded their first defeat last week in their first competitive game of the season. Neal Harvey scored the goal in a 1-4 (?) defeat away to Zandaam Reserves. Long suffering manager Steve “Hughie” Marshall is on the look out for new players – anyone interested should contact Steve in the Supporters Club Office. SFC’s aim this season is to win the Marathon League’s Division 4 Championship – which I am sure they will do!!

I am constantly being asked whether “Long Ball Down the Middle” magazine will be reappearing. One of the most persistent enquirers – Mr. Khanna – has now nominated himself as the next editor. Please send any articles into the Club Shop or to Khanna direct. Well done, Khanna, we need more volunteers like you! How about raffle tickets/tea bars anyone? I will soon be forming a “Press gang” so watch out!

Don’t forget to book as early as possible for away travel on coaches. Whilst on the subject of coaches it would be appreciated if supporters remain in possession of all their attire for the journey. I didn’t realise Brian Rix was a supporter but I have seen it all now!!

GO FOR IT YELLAS!!
