ON THE BALL

with
Brian Hall

THE F.A. Cup took its toll on Saturday and regretfully we were one of those who fell. I make no excuses, am naturally disappointed, and honestly can find no other comment to make on the subject. I sincerely hope that if every cloud really does have a silver lining, then we may benefit on other ventures during the season. I am quite sure that our ever-faithful supporters were also disappointed, but as a Club, we must dust ourselves down, roll our sleeves up, and drive on.

I believe that the squad of players at present at the Club, is the best and most permeable squad we have had in the past four years. They are certainly experienced and I believe that they will do well this season for both you and I.

Unfortunately Steve McCargo broke his foot in the F.A. Cup game, and therefore is out for six weeks, as is Bob Iles who underwent a knee operation on Monday. Nigel Johnson has torn ankle ligaments, but on the bright side Steve Perkins came through ninety minutes on Tuesday, Roy Davies is fully recovered from flu, and everyone else is 100% fit. There is an exciting atmosphere in the dressing room.

May I thank all of you for supporting our first game in the Morrill Homes Capital Football League, and incidentally I thank all of those people who have helped with so much work, support, and backing, in what started out a couple of years ago as a pipe dream. Those people richly deserve a mention, and I apologise if I inadvertently miss anyone. David Morrill has backed this game financially once again, and to him I am eternally grateful for giving us the chance to get the league going. Ken Wiltshire sits in the hot seat as Chairman, whilst Peter Braxton, and David Free have spent so many hours on administration that I could never repay them. Alan and Liz Clifton have provided facilities and friendly support. To all of them and to you our supporters I say "Thank you". It was a super evening and game, let's really make it something special.

RISING FROM THE ASHES

by Colin Pope

It would be stupid to pretend that our defeat at Gray's Athletic last Saturday was anything but a disaster of considerable magnitude – both in terms of finance and prestige. And, of course, unless we have a really good run in the Trophy, it means we shall again next season have to join the early F.A. Cup qualifying rounds – which upset us a lot this season in view of our good Cup runs in the last few seasons.

Mind you, we have been in good company, for Runcorn went out to Leek Town, a Cheshire County League side in the first round, while only last Saturday Bath City also took an early exit at the hands of Frome Town, from the Western League.

Still, as manager Brian Hall rightly states, regrettable though it is, we've got to put it behind us, and look ahead.

Our wounds received a substantial dose of healing balm on Tuesday, of course, when our inaugural match in the new Morritt Homes Capital League resulted in us perpetrating grievous bodily harm to Brentford in the shape of a mind-boggling 10-0 victory!

I know our team found a lot of space that just wouldn't be there in the Gola League, and allowing for the fact that Brentford's side was made up of reserves and youth team players, we really did look sharp, and scored some wonderful goals which would not have disgraced 'Match of the Day'.

STOP PRESS. . . . Will all our Supporters please note that we shall now be AT HOME TO BARROW NEXT SATURDAY, OCTOBER 27th (3 00 pm) in a League game, instead of travelling to Runcorn. This was arranged yesterday (Friday) morning, when it was also agreed that we go to Runcorn on April 13.

And we were very much heartened by a bigger gate than anticipated – and how fitting that they were rewarded by such a goal-scoring spree. On target for us were: Lee Holmes (3), Chris Dibble (2), Gary Donnellan (2), and Nigel Johnson, Vince Jones and Mark Graves one each.

It might seem odd mentioning any particular player on Tuesday, but I think it only fair to comment on the tremendous season Gary Donnellan is having. He's now arguably the fastest man in the squad, and is playing as well as at any time in his career. He's undoubtedly given us a new dimension on the left side with his penetrating runs, and pin-point crosses, and his exceptional competitive edge wins a lot of 50-50 balls. One can sense the buzz of anticipation of supporters now every time he starts one of his dazzling runs!

Our Brentford-bashing, though, did have its sombre side with the removal to hospital of Nigel Johnson. Happily, no bones were broken although his ligament trouble will keep him side-lined for a month or so. So with Nigel, Bob Iles and Steve McCargo, we're carrying three time-consuming injuries.

Incidentally, to save you staticians from racing to your record books, I'll tell you that we have to go back to 1955 since we had a similar win to Tuesday – when on that occasion we beat Metropolitan Police 12-1 in a friendly! And 44 years ago – in 1940 – we beat Gillingham by the same margin, 10-0. This was the same score by which we beat Barking in the Athenian League in 1931, and also that year we beat Thame Utd 12-4 in the F.A. Cup! But in recent decades, Tuesday's goal riot was the best!

As many of you will know, Gray's Athletic are now at home to Dartford in the 4th qualifying round – a real local Derby, and the Gola League side would not really have wished for this one! Meanwhile, our near-neighbours and rivals, Harrow Borough, exempt until the 4th round next Saturday, visit Kettering. After a shaky start they are getting the right results now. Incidentally, a whisper reaches me that the Borough's sites are now set on the Gola League . . . True or false, I wonder?

Gola League secretary Peter Hunter, here on Tuesday with other soccer luminaries such as Wimbledon's chairman, tells me he has a strong hunch that Enfield will win the championship this season. He's seen them two or three times this season and says they made some excellent signings during the close season, and are looking really good. Reckon Paul Bowgett and his lads may have something to say about that, however!

Encourage – Not Destroy

STONES SHOP NEWS

THERE are still a few supporters who have not yet collected their F.A. Non-League Directories from the Club Shop. Messrs. Mason, Fuller, Fletcher, Groves and Geere – your copies await you! Mr. Rose – your copy will be on first come, first served basis if you don't come and pay for it soon!

The new issues of both "Programme Monthly" and "West Middlesex Review" have arrived and can be obtained for 60p and 25p respectively. The next issue of both "Non-League Digest" and "Pyramid Magazine" are also awaited and hopefully will have arrived by today for sale. Both these latter publications have been sell-outs so far this season, so be sure to get in first to secure a copy. It is interesting to see that "West Middlesex Review" has taken account of Ruislip Manor F.C. in place of Hayes F.C. due to general apathy and disinterest from the Isthmian Premier outfit. It is sad to find a club whose own supporters are not sufficiently keen to read about their own club, especially after all the effort put into the venture by the young editorial committee. Let's hope that Ruislip Manor's fans do not find a modest 25p a month excessive to read about their club!

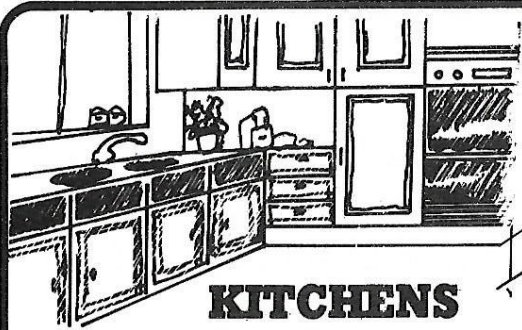

In contrast to the above, a great deal of enthusiasm and endeavour has been required during the summer months at clubs following the dissolution of the Athenian League. Several of the twenty clubs that had to find new Leagues to join decided that progress was their key objective and had to work like mad to satisfy the high requirements of the Isthmian League ground committee. Some clubs found the task beyond them or decided that the effort was not worthwhile. These clubs filtered into the Spartan, Combined Counties, Eastern Counties and South Midlands leagues. Amongst those clubs who followed the option of aiming higher at inclusion in the new South and North sections of the Isthmian League, Division Two was Banstead Athletic whose Chairman, Malcolm Baker, is a producer and supplier to us on many of the high quality lapel badges in our Club Shop. The Isthmian committee were so sure that Banstead would fail to get their ground into shape by their deadline that they considered a further visit unnecessary. But Banstead's supporters, officials and even the players got together during the summer, assessed their individual skills and trades, and combined on a building programme that would make our own Chairman proud! Concreting, bricklaying, drain-laying and pipe-laying was organised in record time and utterly astounded the Isthmian committee when they returned merely out of courtesy! The result – an Isthmian place for Banstead and one up for the spirit of Non-League football!

It is ironic that recent comments and pleas in the Wealdstone programme concerning bad language have come at a time when the most obvious culprit has been conspicuous by his absence. Equally disturbing and amazing bearing in mind our position at the top of the Gola League is the way in which some so-called supporters do not waste a moment in vehemently criticising the least mistake made by a player. A poem appeared in last week's Watford v. Coventry programme entitled "Ode to a Muppet" which specifically highlighted the type of supporter that every club has to suffer. The type of "fan" who shouts abuse at a substitute who comes on cold and puts his first pass astray; the type who will cheer a striker's goals week after week but but hesitate to yell foul-mouthed criticism at the same player if a chance is missed or the ball not controlled. Perhaps only the players themselves and the loyal band who travel all over the country encouraging the Stones and supporting in the true sense will know just how much more beneficial a shout of "Well tried! Never mind! Keep at it!" is after some poor play rather than violent abuse which can only inhibit a player and lead to more errors.

Wealdstone's superb away support has been a major ingredient in our enviable away record. If the team is to go all the way and capture the title, the players need constant encouragement during bad spells as well as good. Let's all get 100% behind the lads and there is no reason why we cannot reach our deserved position at the top of the pyramid on Non-League football.

STOP PRESS

ON sale in the Club Shop today is a new publication called "Accrington Stanley to Wembley". It has been produced by Tony Incenzo who is also behind the new "Pyramid Magazine" and reviews the F.A. Trophy competition of last season. A visit was made to a different ground in each round from preliminary to final and the booklet details the writer's experiences along the way. For masochists among us, the booklet covers the Yeovil Town v Wealdstone match from the First Round, but otherwise is an interesting read for £1.00 and a good follow-up to last season's "Tansley to Wembley" F.A. Vase version.

TOBY JACKSON

F.A. PLAN UNDER FIRE

THE Gola, Servowarm Isthmian, Southern, Northern and Northern Premier Leagues are up in arms at the proposed FA plan to change the basis of selection of full member clubs.

Under the proposal only clubs in the Premier Division of the five leagues would be allowed to enjoy full membership - which threatens loss of status for nearly 90 clubs in lower leagues or divisions.

Principal plank in the FA's argument for change is to end the present system of disciplinary procedures. At present full member clubs are dealt with by the FA, while associate members report to County FA's. A player with a full member club is subject to the FA's points system and might be banned for only one or two matches. Players with associate clubs, up before their County FA can often be banned for much longer for the same offence.

Most leagues accept that this injustice should end, but are committed to fighting the suggestion that clubs outside the top divisions should lose their full member status.

Several famous clubs - Corinthian Casuals, Bromley, Oxford City, Woking and Kingstonian - immediately spring to mind as victims if the proposal is adopted. 17 Southern League clubs stand to lose their status.

The Eagles Sports Club (Harrow)

A collection on behalf of the above club will be taken during today's match, and they would like to express their sincere thanks to the Directors of Wealdstone F.C. for giving their permission. The Eagles were founded in 1976 to encourage disabled people to participate in sport, and its membership is open to all persons suffering from a disability and to their helpers, guides or coaches.

Members meet at the Harrow Leisure Centre on the 1st and 3rd Saturdays of each month from 6-8 pm, and can enjoy bowls, darts, badminton, table tennis etc., or just enjoy table games or even just for a friendly gossip over a cup of liquid refreshment. You may recall that last May, their bowls players, who are totally or partially blind, won the Morrill Award, for winning 3 Gold & 3 Silver medals in a competition at the Picketts Lock Sports Centre.

The annual subscription is a nominal £1 per year, so come along one evening and see for yourselves and perhaps join the Club, and you will not regret it. Contact either, the Hon. Secretary, Mrs. Barbara Emerson, (01-864 7851) or Tom Verrall, Hon. Membership Secretary (01-204 6492).

Wimbledon here soon

RESULTS so far in the Morrill Homes Capital League are: Enfield 2 Gillingham 1; Enfield 3 Orient 1; Wealdstone 10 Brentford 0; Barnet 2 Wimbledon 2.

Wealdstone will be at home to Wimbledon on Tuesday week, October 30th kick-off 7.30 pm. As the Wimbledon top management was here last Tuesday they will obviously not wish to suffer a like fate to Brentford and one expects will field a strong team! On Monday, November 12th we visit Barnet.

SUPPORTERS CLUB NEWS

GOOD afternoon everyone and welcome to our visitors from Worcester City, who are currently pushing hard for top position in the League and we will have to be at our best to maintain our own challenge. Those supporters who travelled to St. George's Lane a few weeks back won't forget the secon half blitz from the Stones that sunk City - in front of a very large crowd of nearly 1,700! It would be nice to see that sort of crowd at Lower Mead!! We live in hope . . .

As I write these notes I am still trying to put the defeat at Gray's out of my mind. To say that the coach on the return trip resembled a funeral party would be an understatement. (The attempted debagging towards the end of the journey did little to cheer me up). The deep sense of gloom that descends over the committed supporters amongst us when we exit from a Cup Competition in such a manner is a wretched experience.

I am sure that all of us at the Club will regard this as a set-back that will be forgotten because it will *strengthen* our resolve to get past the first-round of the F.A. Trophy and win the Gola League title! Before I end on the subject of "Black Saturday" I will record my admiration for Gray's Athletic F.C. To me they are a club obviously on the "up" and appear to have a very loyal and enthusiastic set-up. Good luck to them - they deserve it. *It's just a pity it was all at our expense . . .*

Don't forget that Supporters Club Raffle tickets will be on sale as usual today and your participation will be much appreciated - this continues to form an important part of our fund-raising efforts. If you hadn't already noticed from your visits to the Club Shop, the new pennants have now arrived priced at £1.00. We are also selling off some unclaimed replica shirts; if you are interested please call in at the shop this afternoon. Any young ladies interested in helping in the Tea Bars can see me after the game today, or anytime.

The Supporters Club football team, SFC Wealdstone, were in action again last Sunday when Hughies lad's scored a 3-0 victory over 108 Sports Reserves. Justin O'Brien (2) and Tim Parks were the scorers.

Back to today's match and lets return to our winning ways and keep the momentum going at the top of the league - heres to two points!

MAKE THEM PAY, STONES!!
