## ON THE BALL

I suppose looking back over two games with Worcester one should be pleased to have scored seven goals against three and taken four out of five points. One can be pleased, but in football never satisfied, and it must be said that two points at home last Saturday would have opened up our lead on Enfield whom we play very soon. However, I am sure the team will put matters right this afternoon with a much more sound performance.

Having no mid-week match has given us two training sessions to work on a few ideas, but not all of the lads have been without a game this week, and I would like to congratulate six of our players on their selection for the F.A. XI who played the Isthmian League on Wednesday at the Metropolitan Police Ground. They are Alan Cordice, Mark Graves, Lee Holmes, Neil Cordice, Gary Donnellan, and Paul Bowgett. Paul was Captain of the side and Gary Donnellan scored the winning goal in a 2-1 victory. Perhaps we shall see a few Wealdstone players in the white shirt of England this season!

Today we welcome Barrow, who at the time of writing still have an impressive unbeaten record. With the number of draws they have recorded they would seem on paper at least a difficult side to beat. Having scored 13 goals in our last two games, perhaps that will prove to be unlucky for Barrow.

Finally may I take this opportunity to thank all those people who have made me very welcome in this my first season at Wealdstone. Having now hung up my boots and sentenced myself to playing from the touch line, I can only say I could not have chosen a better Club to start my new career. I would make special mention of Brian Hall who gave me the chance.

Enjoy the game.

## STONES SQUAD IN THE MONEY!

by Colin Pope

WE give below the final tally of clubs to share in the Gola League's first £2,500 jackpot pool up to the end of September:

One share each – Altrincham, Boston, Dartford, Gateshead, Kidderminster, Maidstone, Runcorn, Telford.

Two shares each – Barnet, Dagenham, Frickley, Nuneaton

Three shares each – Wealdstone, Enfield, Worcester

Four shares – Weymouth

At the outset of the season, it was not made entirely clear whether the Bob Lord Trophy was to be included, but it was thought not. If this is so, the total of shares is 29 – working out at £86.20 per share (with a few odd pence left over!) Thus Wealdstone's share – which goes to the players – is a handy £250 plus.

We're obviously doing extremely well again for October, and up to today we lead the way with 32 goals, followed by Enfield's 29 and Weymouth's 28. In the current month's jackpot pool we have one share in company with Dartford, Kettering, Nuneaton, Worcester and Scarborough. Pace setters are Barrow and Barnet with two shares each.

It is with considerable pleasure today that we welcome back Steve Perkins, making his first appearance for many months following a severe ankle injury. Steve has been in hard training for some weeks now, and it is a boon that he is considered ready for action now that we have lost the capable Steve McCargo for some weeks, although Steve's foot is already out of plaster.

I'd like to remind you that we are at home to Wimbledon on Tuesday in the Morrill Homes Capital League, while on Tuesday week, November 6 we entertain the redoubtable Enfield in the Bob Lord Trophy, both matches 7.30 pm.

It may come as a shock to many people that our visitors today, Barrow A.F.C. have their very own London-based National Supporters Club! Well, they do, and a Mr. John Woods, of south-west London, has supplied me with full details!

They were formed in 1977 by a group of Barrow supporters living in the London area, and now has a membership of almost 100, paying £2 a head membership. A monthly newsletter is published, and travel to Saturday matches arranged at advantageous rates. Regular social occasions are held, and if any of our own Supporters wish to make contact, the person to telephone is Dave Leitch on 01-399 3343.

Congratulations to Barrow on being the only unbeaten Gola League side, and please note that their midweek 1-1 draw with Scarborough attracted a huge gate of 1,721 to their Holker Street ground – the highest in the League to date. And do you notice that Yeovil, notwithstanding their appalling record, have still not yet dropped below 1,000! Wonder what it will take for us to reach four figures this season?

A reminder of our great Bonfire Night fireworks display on the ground on Monday, November 5th when we hope you will turn up with the kids in large numbers. Admission is only £1, and 60p for children and senior citizens, and the gates open at 6.30 pm with the display starting at 7.30 pm. Ample refreshments will be available. And as a bonus, Toby Jackson's superb Club Shop will be open, and he has a lot of material which will keep the youngsters quiet while waiting for the 'big bang'.

If any individual or Company would care to sponsor a match ball, the Club would be delighted. Match balls cost £35 and we have to have a new one for every match, of course. Any takers?

# REMINDER OF A GRAY DAY

## STONES SHOP NEWS

ALTHOUGH the name of Grays Athletic can hopefully shrink from memory before too long at Lower Mead, it was interesting to hear this week from Tony Dolbear, the Club Shop Manager at Sutton United, who suffered the same F.A. Cup fate in the previous round. Quote: "I was quite convinced we'd beat them but we really had the wrong attitude. We were level 1-1 at half-time and seemed in no danger until they moved up a gear after the break and slaughtered us! They didn't strike me as a side that can be taken lightly. At least Wealdstone's result made us feel a little better, although we would have liked a crack at the Gola League leaders. I would fancy them to beat Dartford as well, although if John Still is in charge down there I would have thought he'd have his players prepared right. We remember his half-time 'pep talks' when he was at Leytonstone which used to give ten minutes X-certificate entertainment to anyone within about 50 yards range!" I don't know if the language clean-up campaign at Lower Mead stretches to the dressing-room, but perhaps that is where we went wrong!!

There are still some copies left of the latest issues of the following publications that will interest all Non-League fans: Pyramid Magazine (25p), Non-League Directory (30p), West Middlesex Review (25p), Programme Monthly (60p), Bureau of Non-League Football (60p) and Accrington Stanley to Wembley (£1). Call in at the Club Shop for your copy.

The Kit Sponsorship scheme is progressing well with the spaces in the Grid (see elsewhere in today's programme) being snapped up week by week. Only three players have sponsored boots so far however, so more contributions would be welcome - Mark Graves, Neil Cordice and Robin Wainwright are well catered for, but the rest of the squad will soon have toes hanging out unless more generous support can be found! Incidentally, there is no truth in the rumour that an extra column is to be added for sponsored crutches in view of Messrs. McCargo, Johnson and Iles!! Hope to see you back in action soon, lads.

Lapel badge enthusiasts may be interested to know that in the Gola League only three clubs currently fail to produce a proper enamel badge for their supporters - Runcom, Barrow and Nuneaton Borough. The first two clubs produce a standard insert-type badge with a centre that can be adapted for use in various souvenirs, and we are presently negotiating to produce a new badge for Nuneaton to complete a full set for Gola badge collectors, all the other clubs' badges being presently available in the Club Shop. New badges in from other leagues include Oswestry Town, Taunton Town, Bishop Auckland, Spennymoor United, Stourbridge, Sutton United and a name from our past, Tow Law. If any visiting officials from Barrow are interested in having a proper lapel badge made, please call in at the Club Shop today.

THE Ground collection on behalf of the above club last Saturday raised £63.28p. I would like to express my thanks to everybody for their support, and also to the four ballboys, and the helpers from the Vice-Presidents Bar and the helpful co-operation from Peter Braxton and Colin Pope.

## Around the Clubs

**Altrincham** have transferred winger Don Page to Stafford Rangers for a small fee. Page, who spent two seasons with the Robins, was recently on loan to Stafford.

**Barnet** Financial problems have caused Barnet to release defender Ian Bolton, the former Watford and Brentford player. Despite serious injury problems - Steve Mahoney and Stewart Atkins have only recently returned to the side, whilst Bill Baldry, Steve Turner and Nicky Evans are still sidelined - Barnet qualified for shares in the Gola Goal Monthly Jackpot for four successive matches up to their 3-1 defeat at Frickley last Saturday.

**Boston United** have re-signed defender Mick Lyon from United Counties League side Stamford. Lyon had made the right-back position his own at Yourk Street last season before moving to Stamford, whom he helped to the F.A. Vase Final at Wembley in May. The Pilgrims normally train at a sports centre near Newark but, on Wednesday, this was held as an open training evening for supporters and the media at their York Street ground.

**Yeovil Town** striker Mick Doherty has moved to neighbours Weymouth for an £8,000 fee. The Terras had earlier offered striker Gerry Pearson and cash for Doherty, but Huish boss Gerry Gow was not interested in Pearson as he had already signed Torquay United's ex-Barnet striker Colin Barnes for a £3,000 fee. Maidstone United also attempted to sign Doherty, who scored 25 goals in 34 appearances for Yeovil last season after joining the club from Slough Town. Another striker to join the Somerset side last week was ex-Bristol City player Paul Cheesley, whose Football League career was ended by a chronic knee injury after helping City into the First Division.

## Selection Problems?

### Robson and Hall are lucky!

by Graham Sharpe, Sports Editor, Brent/Harrow Recorder

SO England manager Bobby Robson thinks he's got selection problems, having to choose between the band in form, flavour of the month Mark Hateley, and the previous automatic incumbent of his position, Paul Mariner, does he? And I suppose Brian Hall reckons that he has a few conundrums to wrestle with when he decides whether to put Neil Cordice in, whether to rest Robin Wainwright etc, etc.

But I'm here to tell them that their problems are as nothing in magnitude compared to the trouble and strife which bedevils me each week!

I am, you may not have heard yet, manager of Hatch End F.C., one of the area's premier local outfits, playing on Sunday mornings in the Harrow Challenge League Division Three.

Could Messrs. Robson or Hall, could indeed Solomon himself, solve my problem of trying to fit a sixteen man squad into an eleven man team and two subs? Especially when, as few of them play on any other day of the week they all look forward to their run out as the highlight of the week!

Consider this, Paul Mariner is unlikely to resort to refusing to carry out his duties as Godfather to Bobby Robson's son if left out of the England line up - my midfield man John Tomlins is quite capable of such a response. Then, I can't see David Morrith withdrawing Wealdstone's sponsorship over team selection - but if I leave Jon Smith, my tubby but enthusiastic centre forward out, or 'rest' Dave (Stuart Pearce's best mate) Brown from the heart of my back four they have threatened to go immediately to their boss, who runs our potential sponsors, Harrow on the Hill photographers Hill & Saunders - and tell him not hand over any cash!

As if that wasn't bad enough midfield general Ted Cooper threatens straight-forward physical violence to my person if over-looked - and he's far bigger than me. Then there's Rob Locke - he accepts being made sub most graciously - not so his wife, who declares her intention of ripping me from limb to limb if I dare leave 'her Robbie' on the sidelines.

No, I tell you, Messrs. Robson and Hall really don't know they're born - if they want to know what its like at grass-roots level just let them come and take charge of Hatch End team selection for a week - by the way, they'd better not leave ME out of the side - it's my match ball!

## JOIN THE 250 CLUB!

DID you realise that there are still a few vacancies for the '250 Club', which costs £1 per week, and has valuable cash prizes to be won every week? A list of all the winners is on the notice board every week so if you want to have a chance of winning a little bit extra for Christmas see Mick Mylcreest TODAY!

## See You On Bonfire Night?

A reminder that our tremendous Fireworks Extravaganze will be held on the ground on Monday 5th, when we are hoping to beat last season's 2,000 crowd. Admission has NOT been increased, and will still be £1, payable through the turnstiles on the night.

Gates will open at 6.30 pm and the display will start at 7.30 pm. Children and senior citizens will pay only 60p - which has got to be a splendid deal to watch a major fireworks display in complete safety and comfort.

Dads, let 'us' do the donkey work - bring the kids here and take it easy! Ample refreshments will be on sale.

## SUPPORTERS CLUB NEWS

TODAY we extend a warm welcome to Barrow for this rearranged Gola League fixture. At the time of writing these notes Barrow still remain unbeaten in the League - I think we can put a stop to that record this afternoon!! However, our recent "let's give them a goal'start" policy will have to be knocked on the head today because we badly need TWO points to keep our noses in front at the top of the League.

Last Saturday's match against Worcester City was a tremendously exciting affair, the final result always being in doubt. It was a "marvellous advert for Gola League football, etc., etc.," type of game - which is just as well because with spectators being as valuable as gold-dust in this part of the world we want people to come back to Lower Mead and leave matches feeling that they been entertained. It is a constant source of frustration I know, to many of us, at our inability to attract a level of gate commensurate with our position in the League and that our highest gate of the season will be more due to Guy Fawkes than Paul Bowgett & Co. Still, they don't know what delights they are missing, do they?

On the Committee front I am able to announce the date of the Supports Club **ANNUAL GENERAL MEETING** which will be held on Wednesday, 21st November at 7.30 pm in the V.P. Lounge, located under the Stand. It is hoped that it will be possible for Manager Brian Hall to be present - more details in future programmes. Obviously it is very important that as many Supporters Club members attend as is possible - this is **YOUR** chance to have **YOUR** say - make it a date in your diary.

It was good to see Dave Heath back in circulation last Saturday after a long stay on the sick-list. Congratulations on his recent engagement to Nina and whilst on the subject of engagements, belated congratulations are due to Bob DuGard and Jackie and John Young and Jan. Have I left anyone out?

On a more serious note I feel that I should echo Toby Jackson's comments relating to criticism of players and the need to encourage rather than destroy. If there was such a thing as a "golden whinge" award I am sure we would have no difficulty in nominating certain individuals amongst our following!

Let's all get behind the lads today and make certain of a win to keep us where we should always be - at the TOP.

COME ON YOU YELLAS!!

### AWAY TRAVEL

TELFORD UNITED, SATURDAY 3 NOVEMBER

Approx. distance Wealdstone/Telford: 150 miles

Departure Time: 10.00 am

Fares: £6.00/£5.00 (Members)      £7.00/£6.00 (Non-Members)

Steve Field is still taking names for a train party to the Frickley match on Saturday, 15th December. This trip has the full backing of the Supporters Club.

### Ex-Stones in Action

News of three former Stones: turning out for Isthmians Southall is Gary Churchouse who has returned from a spell in New Zealand, and now lines up alongside former Brentford defender Graham Wilkins, best known for his "Butch" brother.

Meanwhile turning out for Letchworth Garden City are our former players Les Harriott and Steve Brinkman. Steve is on loan from Barnet, having been left out of their side for the fixture at Weymouth last month as that was the scene of his tragic heart attack two seasons ago and Manager Barry Fry thought it unreasonable for him to turn out there.

Shock new Manager of Northern Leaguers Willington following the departure of Alan Durban to Cardiff City is Malcolm Allison. Big Mal was due to take over for a recent game against Hartlepool Reserves but because of the FIFA world ban on him was not even permitted to speak to his players.
