ON THE BALL with Brian Hall

My first words are to congratulate all the non-league teams who have now entered the second round of the F.A. Cup, especially of course our Gola League Representatives. I wish them every success in the next round, and may I say how I envy you!

However, we are still at the right end of the league table, and come next May, the F.A. Cup early rounds will be history, but I feel that two Gola sides will be at Wembley in the F.A. Trophy final, who knows?

Injuries are beginning to ease slightly, and at the time of writing Bob Iles may be available for selection. Ray Goddard has also now recovered, but unfortunately Nigel Johnson, Steve McCargo, and Steve Perkins are still a little way off. The squad is quite strong enough to cope with this situation, and therefore we have no glaring problems, and I look forward to us returning to form and our winning ways.

On Wednesday last, I was invited to the Supporters Club A.G.M., for a question and answer session. I was very impressed by the serious and positive intentions of the Club, and also the light hearted and friendly manner with which the whole evening was conducted. Thanks very much for the invitation, I thoroughly enjoyed the chance to speak with you.

I welcome Andy Graham from Lancaster City to our squad, and hope that he enjoys our Club, especially our Social Club and Bar! (Personal Dressing Room joke).

GOLA CLUBS SHINE IN F.A. CUP...

by Colin Pope

HEARTIEST congratulations to Gola League clubs Enfield, Altrincham, Northwich Victoria, Dartford, Telford Utd and Frickley Athletic on reaching the second round of the F.A. Cup. At the time of writing this column, the result of the Swindon v Dagenham replay was not known, but apparently the Football League side were very lucky indeed to even get a second chance.

What can one say of Enfield? They had a poorish time last season, of course, after winning the title the previous year but it would seem that one season out of the limelight is all this progressive club can stand, and we pay tribute to manager Eddie McCluskey. He made a couple or so most astute signings which has taken our near neighbours right up there again in the public eye. Their 3-0 drubbing of Exeter on Monday was great stuff for the Gola League. Even high-riding Millwall on their own patch cannot be over-confident for the next round.

Mind you, the result of the round must surely be Altrincham's win at Blackpool at the first attempt, and it will not have escaped your notice that they now head the league table, followed by Enfield with ourselves third.

Although the result seems to suggest that we only scraped through at Rayners Lane last Saturday in the Middlesex Senior Cup, winning 3-2, we did in fact win comfortably, and did all we had to do to go through. And it must be remembered that we have a quite appalling injury list. On this subject, sad to say Steve McCargo has had a little bit of a relapse in his good progress and may not be back quite as soon as we had hoped. Meanwhile all our other injured lads are making good progress but it will be sometime yet before we have a full squad to choose from.

Meanwhile we heartily welcome Andy Graham, who has recently joined us from Lancaster City, of the Northern League. A tall well-built striker. Andy was previously with Hyde Utd, the Cheshire club and one imagines that manager Brian Hall will give him a run-out for the visit of Orient on Monday in the Morrill Homes Capital League (7.30 pm). Andy has looked impressive in training.

It is by now universally known that the ever-popular Dennis Byatt is in the midst of a dreadful family tragedy. Dennis's wife Dorothy recently lost the baby she was expecting, and tragically Dorothy is now herself fighting for life on a life-support machine in Hillingdon Hospital.

This news has shocked every single person alike, and our heartfelt prayers go out to Dennis and Dorothy.

We lost at Bath recently, and so we not only have an old score to settle, but many scores to settle, for if any club really d.d have a bogey team, we have in Bath City! For some reason they seem to have an Indian sign over us, but frankly, we cannot really afford not to come good against them today – not only for the points, but from the morale point-of-view to halt a depressing run of results. Having such an injury list, we badly need a shot in the arm and a win today will keep us well to the fore in the table. Especially as we have a tough one next Saturday when we travel to Weymouth.

What about little Bognor and their stunning 4,000 gate, quite apart from their victory? Makes you sick, doesn't it!!

Around the Clubs

Boston United have signed 31-year-old defender Mike Czuczman from Lincolnshire League leaders Skegness Town. Previously, Czuczman had had a lengthy Football League career with Grimsby Town (two spells), Scunthorpe United, Stockport County and York City.

Scarborough's appointment of Harry Dunn as player/manager following the sacking of John Cottam is a remarkable turnaround for the popular 36-year-old, for he had spent nearly 20 years at the club until released by Cottam 18 months ago. Dunn admits he never expected to return to Seamer Road after his shock release, but he believes his brief spell at Frickley and an even shorter period as caretaker manager at Boro before the arrival of Cottam has given him the necessary experience to get Scarborough back to what they were five to ten years ago. Dunn (who even turned out for Boro on his wedding day) is the only player to have received two benefits with the club in its 100-year history.

ROVING REPORTERS

HAVING set my heart on the thrill of doing battle with League opposition in the First Round Proper of the F.A. Cup, I had felt confident this season that the top Non-League side in the country could overcome all and sundry from Millwall to Mansfield. Fate, however, decreed that by the day in question not only was Wealdstone's name absent from the First Round draw, but a combination of injuries, bad luck and bad finishing had also relieved us of our position at the top of the Non-League pyramid.

Not to be deprived of the excitement of seeing the top Gola side in action against a League side, this column is being penned on Inter-City en route to Blackpool v. Altrincham. Your Programme Editor by coincidence is simultaneously travelling in the opposite direction to see what F.A. Cup threat Barnet can pose in Plymouth before the more serious challenge of the scheduled Morritt Homes Capital League fixture against us three days later. Our spirits of course will both be at Rayners Lane where we have not dared to venture, knowing from the Harrow Observer's player v. player ratings that one of the top Non-League sides in the country has little chance against the crack Hellenic League outfit, falling short on individual merits in seemingly all departments!

Our recent poor run can be traced back to Bath on October 9th, so it would be fitting to put matters right today and rekindle the impetus we shall need if a serious challenge for Championship honours is to be made. Every team hits a rough patch during a season, but I feel that with hopefully some respite from the incessant injuries recently evidenced ours is well overdue as regards termination.

In the Club shop today there are still some copies left of the latest issues of Pyramid Magazine and the new issue of "Bureau of Non-League Football". This fortnight's edition of "Non-League Digest" is on sale today as is November's "West Middlesex Review" covering the local scene.

Apologies for the absence of programmes brought back from the game at Enfield. In keeping with Telford (demise of printer), Worcester (total indifference) and Bath (Club Shop demolished), we were let down on our usual exchange arrangement by the normally reliable Southbury Road shop. Enfield's print-run of 700 programmes which on any other week would have left a sizeable surplus for Club Shop business proved totally inadequate for a crowd of over 1000. If any supporter has a spare copy of either the Enfield or Worcester away programme, I'd be very grateful!

Well, the son of a certain Joe Fagan earned a notable triumph for the Gola League at Blackpool, so I'm returning home content. Only ex-Chelsea man Ian Britton showed any devotion to Blackpool's cause whereas Altrincham's Phil Gardner seemed to take on the Seasiders single-handed (and win!) in the first half which saw "Alty" snatch their winning goal. Let's hope that it is our turn next year to fly the Gola flag and grab F.A. Cup glory!

TOBY JACKSON

EDITORS NOTE: *Our visit to Barnet last Monday was, of course, postponed and will now take place on Tuesday, December 4th.*

SUPPORTERS CLUB NEWS

GOOD afternoon everyone, and we extend a warm welcome to our visitors from Bath City F.C. Bath are now definitely one of our "bogey" sides and we won't need to be reminded that we were well beaten in an exciting game at Tiverton Park last month. Brian Hall is certainly not having the best of luck with injuries at the moment - the recent appalling run is certainly the worst injury crisis I can remember. Needless to say it is at times like these that the lads need maximum encouragement and positive vocal support from the terraces. I am sure that a win this afternoon would do our confidence the world of good - not to say our League position. Mind you we have seen some exciting stuff from the 'Stones in recent games, despite results, and who can say we played badly at Enfield?

These notes were written before our Club A.G.M. on Wednesday. However some changes to the Committee that required ratification at the meeting were the appointment of Nick Dugard as Secretary, replacing Dave Heath. Our sincere thanks to Dave who has served on the Committee for the past three seasons. Dave will continue as a committee member. Joining the Committee were Matthew Ansell and Steve Field, leaving was Kevin Facer - our thanks to Kevin for his assistance during his period on the Committee. Any other news as a result of the A.G.M. will be announced in the next match-day notes.

On the social front, the Supporters Club will be holding a **DISCO** in Morrists starting at 8.00 pm on Monday, December 3rd. Tickets are on sale now, priced £1.00, from the Supporters Club shop. Tickets for the Players Race Night, to be held on Wednesday 28th November are also on sale, priced £2.00, at the Club Shop or Club Office.

Finally I should mention that SFC Wealdstone have been doing extremely well lately - last Sunday they defeated RHM Foods 8-0 at Harrow Weald - you'll no doubt have got the details from the Harrow Observer!!

Introducing Bath

BOBBY JONES (Manager): Ex Bristol Rovers. Took over as part-time manager in 1982 after two successful seasons as assistant to Stuart Taylor. He was appointed full-time manager from 1st June 1983.

DAVE MOGG (Goalkeeper): Joined Bath in 1982. This 22 year old ex-Bristol City player has established himself as one of the finest keepers in non-league football. Skillful and courageous, he excels under pressure.

DAVE PALMER (Full Back): Joined Bath in March 1981. This ex-Bristol Rovers player is an asset to the City side, his tackling is strong and precise. A quality which has gained 23 year old Dave quite a reputation throughout the Gola league.

PETER AITKEN (Midfield): Ex-Bristol City, Cardiff, the skills of this player were apparent during his short spell with us in the 1982-83 season, then after playing in Hong Kong he signed for Bath and was a prominent player throughout last season.

TONY RICKETTS (Defender): Joined Bath in July 1979 from local side Clandown. Now at 25 years old this 6ft 2inch defender is a master of his position, Tony is a very brave player and is excellent in the air.

RICHARD CROWLEY (Defender): Joined City during the close season from Western League neighbours Frome Town. This 23 year old "six footer" has the ability to hold a place in the Gola League and could prove an asset to our defence.

JEFF SHERWOOD (Defender): Originally joined "City" in 1981 from Taunton, signed for Bristol Rovers at the start of 1982/83 and played a number of games in their football league side. Rejoined Bath last season and quickly established himself as a speedy and skillful player.

PHIL BARTON (Midfield): This 21 year old ex-Blackburn Rovers apprentice joined Bath in 1982. His sparkling displays of football have thrilled City supporters on many occasions, and his love of football is very obvious!

KEITH BROWN (Midfield/Striker): Joined Bath City from Bristol Rovers in January 1981. Keith who is 24 years old is very skillful on the ball and his goals are often very impressive!

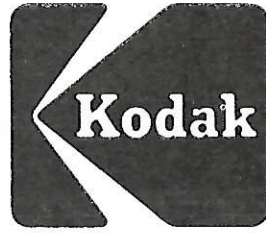

RICKY CHANDLER (Striker): This 22 year old ex-Bristol City player has proved an exciting signing. He bubbles with experience and has a good eye for goals.

BASIL JONES BETTER

WE are delighted to report that Mr. Basil Jones, one of our most ardent and long-standing supporters, of Kenton, is making an excellent recovery after a serious operation recently, and in fact hopes to see today's match. Basil, who is also a very keen cricket fan, seldom misses a home game, and we are delighted that he is able to be back among us again.

Aid For Famine Victims

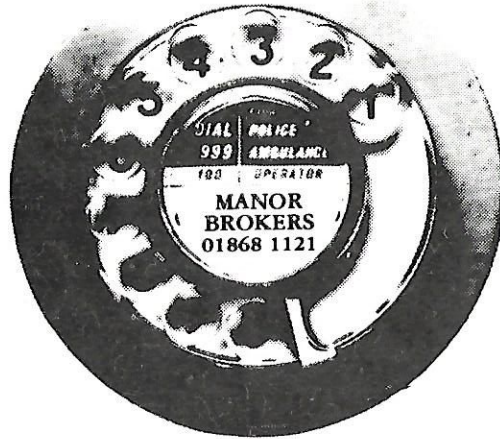

THERE will be a special ground collection today in aid of the Mayor of Harrow's appeal to aid the relief of the terrible famine in Ethiopia. This shocking tragedy has stirred the hearts of the nation, and we are delighted to play our own small part in helping to alleviate the suffering. Please give as generously as you can.
