ON THE BALL with BRIAN HALL

MERRY CHRISTMAS to all of our loyal followers and supporters, and thanks for coming today instead of going shopping! You made the right decision, because if you have not bought the presents yet, there is still Monday, but you would have missed this important meeting with Altrincham today. Thanks also to Altrincham followers as well for travelling down, and special seasonal greetings to the back-room Staff at the Club, without whom the task would be impossible.

Our Vice-Presidents have presented us with a superb Christmas gift of a short-wave machine for our physio-room. At this level of football machines such as ultra-sound and short-wave, are in fact a necessity, and I am sure that Dr. Len Goodchild or Arnie Reed will only be too pleased to explain the technical advantages in respect of treatment and injury with these intricate devices. Mind you, you may have to buy them a drink, but if you bought me one I would not be able to say sentences like that! Merry Christmas.

Lee Holme's wife Janet has just presented him with a baby son called Riki. Many congratulations and a Merry Christmas.

A great result for us at Weymouth with a convincing 3-0 win, when I thought that we really got down to hard work and showed the character and willingness of not allowing ourselves to be beaten, and possibly even more so on Saturday last, when we crawled to Frickley in the fog and battled our way to a fine 2-nil win, and crawled home again with the maximum points. It is ironical that in the last five minutes of that game we missed our two easiest chances, but I was very pleased with two consecutive shut-outs.

It also pleased me to realise that with the latest news, Lee Holmes does score sometimes!

Merry Christmas, or have I said that already?

P.S. Players Disco, Saturday 29th December 1984.

Lick the League then collar the Charts?

by Colin Pope

NOT content with being very nearly at the top of the Gola League, our playing staff are now seeking fame and fortune in the pop charts!!

Largely through the enthusiasm of that inimitable (no, Roy, it's not rude . . .) and irrepressible defender Roy Davies, aided and abetted by Steve McCargo (who plucks a mean guitar) Wealdstone FC have cut their very first disc and any Sunday now we're waiting for Radio 1 to catch up with it and include it in their top 40. At least they will if they've any sense Paul Bowgett has been heard to mutter darkly . . .

And now for the big news. The record is ON SALE HERE TODAY starring the aforementioned Davies and McCargo, who will be available to sign autographs any time after 5 pm today! And it will help their demeanour, of course, if you should just happen to have a record under your arm! They only cost £1 and it all depends on your reaction today whether or not the record company will be on overtime this coming week . . .

Oh yes, and there is definitely NO TRUTH in the rumour which has spread like wildfire during the last week that chairman David Morrith is going to do an Elton John and 'front' the duo. The record will make an ideal Christmas gift, and as it will only be a limited issue (and therefore become a collectors item) you should snap up your copy now.

This programme now claims a world scoop by becoming the first (only?) publication to print the entire lyrics. (We'll do anything to fill the white space during Christmas week . . .).

WE ARE THE STONES

*There's a place I know
If you'r looking for some action
It's the place to go, the local attraction
And if you need to feed
Some underlying passion,
Then come to Lower Mead, we've got football that's the fashion
You'll be amused by some players' antics
You'll get confused trying to suss our tactics . . .*

CHORUS: *We are the Stones. We are the Stones. We are the Stones and we are out on our own.*

*Come on, you'll have a ball
Now we're in the Alliance
'Cos under Brian Hall its the appliance of science.
All around the ground
You'll probably hear some humming
Well, that's just the sound of the Morriths coming.
We go to places as far away as Barrow
But one place we always like to win and that's Harrow.*

CHORUS: *We are the Stones. We are the Stones. We are the Stones and we are out on our own.*

*Well, if you like a drink,
Come to the players bar.
Oh, no! just let me think, we haven't one built so far.
But we've got good news
We've got the answer for it
We've got the chairman whose the local builder, Morrith.
We like to think we're one in a million
If someone asks you whose your team, don't be silly and just say*

CHORUS: *We are the Stones. We are the Stones. We are the Stones and we are out on our own.*

DOWN AT THE WEALDSTONE

*On a wild and windy night
When fortune favours the brave
With the floodlights shining bright
The boys go on parade.
The lightning rips the sky
The action is fever pitch
When the sparks begin to fly
Then the gloom begins to lift.*

*CHORUS: You oughta come down, should really come down and see
If you don't take my word see for yourself, you'll agree
You'r never alone when you're on your own down at the Wealdstone.*

*The crowd is packed in tight
Crammed in the Elmslie
When the half-time whistle blows
It's down to the ABC
The boys begin to cheer
Urging for more and more
You're always able to hear
The famous Wealdstone roar.*

*CHORUS: I'm telling you the truth, but if you want some proof
Get yourself along, you know you can't go wrong down there.*

*When the full-time whistle blows
The end of another game
With icicles on your nose
And drenched through from the rain
Delighted if we win
Disappointed if we lose
But no matter what mood we're in
Win or lose, it's on the booze.*

*CHORUS: I'm telling you the truth, but if you want some proof,
get yourself along, you know you can't go wrong down there.*

CLUB SHOP NEWS

TODAY is a good opportunity to thank my opposite number at Moss Lane, David Thorpe, who runs one of the best club shops in the Gola League, for several useful exchanges of items over the past few seasons. Let's hope that we see a game which befits two of the top sides in Non-League football. Having travelled up to cheer "Alty" on to victory over Fourth Division Blackpool in the F.A. Cup, I can tell you that we shall have quite a battle on our hands. Today's game should be a suitable yardstick to measure the title aspirations of two of the leading contenders, and with Enfield breathing down both our necks after a six goal hammering or Worcester last Saturday, a win is vital to both sides.

When Enfield manager was quoted in the Standard recently rating his team's away support as the best in the League, he had obviously overlooked the fanatical Stones' away fans. Any observer who saw the sixty or so cheering Wealdstone contingent at Frickley last Saturday, standing in the freezing cold, straining for a sight of the ball as the fog rolled off the "slag heap", would not doubt who has the loyalest away support. The festive celebrations on the return train trip were well merited.

In the Club Shop today, if you can remember where it is after all this time away from Lower Mead, are the new issues of both "Pyramid Magazine" (No.8) and "Non-League Digest". The latter is in a new bigger version covering the nationwide Non-League scene and replacing the earlier regional editions. New lapel badge lists are also available quoting the badges from over 130 Non-League clubs that are currently on sale. It's not too late to purchase your stocking fillers - why not call in at the Club Shop today?

Lastly, may I wish all our customers a very Happy Christmas and thank all those for their generous contributions of programmes during 1984.

SUPPORTERS CLUB NEWS

It is some time since I have been able to pen notes for a home match – fortunately our results have improved quite dramatically since the Bath City game here a few weeks ago!

The train "party" to **Frickley** last Saturday was a great success, both in terms of the trip and the match result (not that anyone saw the goals – but who cares!!) The match itself was probably one of the most bizarre I have ever witnessed – the foggy conditions were absurd in the extreme and when a person or persons unknown decided to make an attempt (futile as it turned out!) to get the match abandoned by creating "artificial" fog (i.e. setting fire to a skip) conditions resembled a Moor Scene from "Hound of the Baskervilles" – very EERIE!!! However it must be said that the referee showed great courage to allow the game to even start let alone continue for 90 minutes. Incidentally, the people we met at South Emsall were among the most friendly and sporting we have come across all season. Well-behaved party atmosphere prevailed throughout for the 50 supporters who travelled up on the "Stones Special".

May I take this opportunity, on behalf of the Committee, to wish all of our Supporters, the Club, Officials, Directors and Players a **very Happy Christmas and a successful 1985.**

98GOAL MARK

MARK GRAVES needs just two more goals to complete a century of goals for Wealdstone FC. He scored on his debut in a friendly at Hungerford in July 1982 and hit his first Alliance Premier League goal at Altrincham in our opening league fixture of the 1982/83 season. Out of the 98 goals Mark has scored, 69 have come in just 101 Alliance Premier/Gola League matches, a very good record indeed.

Other members of our squad approaching their centuries for the club are Alan Cordice and Nigel Johnson (84 each), and Neil Cordice (76).

A LETTER FROM DENNIS BYATT

WE have received the following letter from Dennis Byatt:
 Dear Friends and Colleagues, Thank you for the flowers and donations which I received on behalf of Dorothy, and the many messages of condolences, which were greatly appreciated.
 I asked for the flowers to be donated to a local hospital. Through everyone's generosity the fund which I set up for the Intensive Care Unit at Hillingdon Hospital, who did so much to look after Dot during her last few weeks, has so far raised £1,275. The Unit are currently deciding how to use the money in the best way to provide them with some much needed equipment for the ward.
 Personally, I would like to thank you all for your support over the past weeks, which has helped me through this difficult time. I hope that I can get back to playing early in the New Year.

Introducing Altrincham

TREVOR DANCE: After making over 100 Football League appearances for Port Vale, Durham born Dance moved into Alliance Premier League football with Stafford Rangers who paid £10,000 for his signature. After 150 appearances during a three-year stay, he joined Altrincham in October 1983, quickly becoming a vital member of the side.

DAVID CONSTANTINE: Began his career in the Cheshire League with Hyde United before moving into the Football League with Bury who paid £6,500. He made 70 League appearances whilst at Gigg Lane before joining Altrincham in the summer of 1982. Last season he was voted "Player of the Year" by Altrincham's Supporters Association.

JOHN DAVISON: No player has passed Davison's total of 18 England appearances at Semi-Professional International level in the six years since the team was created and he has found the net five times for his Country. He first joined the "Robins" from Burnley in the 1971-72 season and had a short spell with Bangor City five years later before returning to Moss Lane. He has also played representative football for the British Universities and the Northern Premier League.

ELFYN EDWARDS: After spells with both Wrexham and Tranmere Rovers, he starred in Runcom's Alliance Premier League Championship winning side and won the Club's "Player of the Year" award, before moving to Altrincham last close season.

PAUL CUDDY: A 25 year old who joined Altrincham in October 1981 after two and a half years at Chorley. He had played for a number of Lancashire Football League Clubs before joining Rochdale where he stayed for two years, making one Fourth Division appearance, and then moved on to Huddersfield Town and Bolton Wanderers.

PHIL GARDNER: A 22 year old Liverpool born player who graduated from Liverpool University and is now on a teacher training course. He joined Everton straight from school and played in their youth and 'A' teams before joining Altrincham in October 1981. He quickly gained a First Team place and has been a regular in the side ever since.

GARY ANDERSON: Began his career with Altrincham and spent two seasons at Moss Lane before joining South Liverpool at the start of last season. After playing an important role in South Liverpool's best ever Northern Premier League season and winning medals in three different Cup Finals he returned to Moss Lane in the close season.

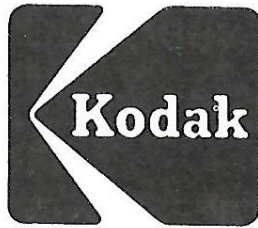

PETER CONNING: A former England schoolboy International who joined Liverpool, before moving on to Wigan Athletic. Signed for Altrincham late last season and showed great promise in a number of appearances in the closing games, but he has now made a First Team place his own after some sparkling displays and already a number of First Division Clubs have made enquiries about this 19 year old Liverpool University Student.

JEFF JOHNSON: Jeff joined Altrincham from Hyde United in 1976 after playing for Stockport County earlier that year. Originally a striker he moved into a midfield role in the 1979/80 season and the change proved so successful that he has represented England in the last four Semi-Professional International Tournaments. He was voted as Altrincham's "Player of the Year" by Supporters in both 1977-78 and 1979-80 and has now made 12 International appearances, scoring three goals.

GRAHAM BENNETT: Cardiff-born Bennett broke the Northern Premier League's individual scoring record with 53 goals in the 1981-82 season for Bangor City and joined Altrincham in the following close season. He started his career in the Southern League with Barry Town before moving on the Bridgend Town where he scored 92 goals in three and a half seasons and won a Southern League Division One North Championship medal. He has finished both his seasons with Altrincham as the Club's top scorer and has now scored over 50 goals in 80 full appearances.

MICK FAGAN: Son of the Liverpool Manager Joe Fagan, Mick signed for Altrincham during the close season. A former Burscough player, he was with Runcom for a brief period towards the end of last season and has also played for Macclesfield Town.

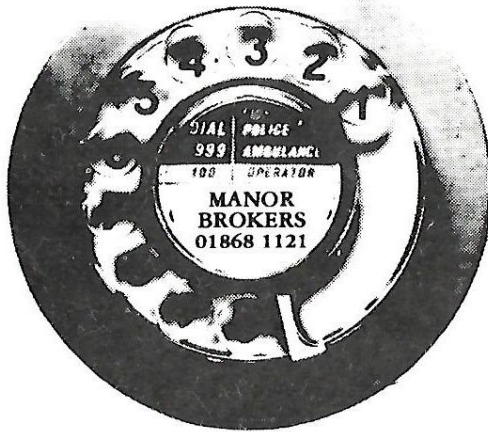

RONNIE ELLIS: Began his career in the Cheshire League with Burscough and then Winsford United before moving into the Alliance Premier League with Runcom. He signed for the "Robins", initially on loan, towards the end of the 1982-83 season and was a regular in the side until he broke his leg earlier this season.

Harrow Association for Disability

THE Officers and Committee of HAD would like to thank the Directors of Wealdstone F.C. for giving permission for a collection on the ground today.

HAD provides facilities for the fullest and sure co-operation between statutory and voluntary bodies working for the disabled people in Harrow. It also maintains a library of information on all aspects of disability.

We do welcome a continuing supply of information on local needs from disabled people and relevant organisations. All this costs money and I do, therefore, ask you all to give generously to our collectors today to help us to continue our work for the disabled of Harrow. THANK YOU.

TOM VERRALL
(Committee Officer, H.A.D.)

CHAIRMAN David Morrith, and his Board of Directors, together with all the Officers and Staff of Wealdstone FC would like to wish all our truly magnificent Supporters, who are the envy of the League, a really Happy Christmas and trust that they may find peace and prosperity in 1985.

PEBBLES CLUB NEWS

WE wish to thank Mr. Paul McGann (Sports Master) and pupils of Claremont High School, Kenton for their donation of five pounds towards the "Pebbles Club" funds.

Claremont has had an association with this club going back to the late 1940's and early 1950's. They were our nursery team during that period. Danny Wiltshire and Stuart Pearce being two of many of the pupils from that school who made it to the top of senior football. We sincerely hope that the pupils of Claremont and indeed the many other schools who are associated with the "Pebbles Club" are enjoying their visits to Lower Mead Stadium.

In the New Year we are going to organise a visit to Wembley Stadium together with a visit to behind the scenes of Lower Mead Stadium so watch out for more details in these programmes in the future. Keep those donations rolling in to enable us to help the pupils of all the Harrow Schools who are associated with the "Pebbles Club" scheme to enjoy their visits to "Lower Mead Stadium". Donations to Ken Wiltshire, Admin Director. (Cheques to be made out to Wealdstone F.C. Ltd.)

A Happy Christmas to all Pebble Club Readers, From the Board.
