## ON THE BALL

with  
**Brian Hall**

A much better performance against Harlow on Wednesday provided us with a 5-0 victory and a chance to get our teeth into this next round of the F.A. Trophy. It seems to be an unquestionable fact of football life that Cup and Trophy Competitions bring out the best and worst in teams, as opposed to their normal league commitments.

Wycombe Wanderers today will be a severe test of courage and team work, and I shall be looking for the Trophy Competition to bring out the best in our side. Wycombe are an extremely well organised Club and worthy of their status in the senior echelons of non-league soccer. I have had the privilege of working personally with the back room staff at Wycombe in the past and therefore extend a special warm welcome.

Many thanks once again to Steve Marshall and the supporters who recently helped George Perkins to prepare the ground after the recent bad weather. I really am most grateful.

Please keep an eye on our mid-week fixtures next week, we do not want you to miss anything.

## **“The First Half is Over”**

by **Eric Fletcher**

THIS is a time of year that I personally hate, especially Saturdays, when the weather has the temerity to interfere with my Saturday enjoyment! Do you realize, that at the time of writing that we are now five matches behind in our programme?

When I mentioned this to the faithful, they say “It doesn’t matter, they are fairly local games that can easily be played midweek”.

What they do not realise is that we still have some of your worst away journeys yet to make – to Gateshead and Barrow, within a fairly short time, two areas that are notorious for bad weather, and, as yet, have not had their share, and is a strong possibility that they also could be called off – anyone fancy a Tuesday night at Barrow?

Every season we never seem to miss a build-up of fixtures; surely the answer would be to play more mid-week fixtures at the beginning of the season when the weather is good, and perhaps leave out the month of January, and give the pitches and players a chance to recover. However, whilst we have Octogenarians running the football league, nothing will change.

Having got that off my chest, we, in the Vice Presidents Club had a marvellous time over the holiday period, made a lot of new friends with visiting teams, and, in spite of being spat on at Scarborough (they breed the women tough up there), we made a good impression in their Vice Presidents bar (especially their bar stock).

In our own clubroom, we now have a brand new stereo system, and a new TV set in glorious black and white, at which point I must thank Les Bull (the only man with permanent ear warmers) for the loan of his TV for the past year.

We also have a new team board, giving both the home and away teams including changes.

As 1984 is now a thing of the past, I feel that I ought to put in a word of appreciation for the rest of the committee, (they’ll resign otherwise!) namely: “Splinters” Wells, “Guinness” Comer, “Weak Tea” Christine, and “Lord Lucan” Mylchreest; for all the hard work they have carried out, and the “aggro” they have had to suffer. Thanks to my two gorgeous girlfriends, Paula and Debbie (our hostess0 and Sergeant Eric for keeping out the undesirables.

Finally, thanks to Brian, Peter, Amie, Tony, Les and the rest of the team for giving us enjoyment, winning or losing, and hope they get the success that they so richly deserve.

Happy and Prosperous New Year to everyone at LOWER MEAD.

(The Vice Presidents’ Committee is: Chairman – Eric Fletcher: Vice Chairman – Mick Wells: Secretary – Christine Brick: Administration – Ray Comer: Bar Secretary – Mick Mylchreest.)

## SUPPORTERS CLUB NEWS

GOOD afternoon everyone and a very cordial welcome to our visitors from the Isthmain League, Wycombe Wanderers F.C. I am sure that an interesting match is in prospect today – we haven't forgotten the last time we played Wycombe in the Trophy – and this time we will have our centre-half in action!! Joking apart, and for what it's worth, I would like to comment that it is my belief that Wycombe would be better off in the Gola League. They appear to have a good set-up and have an excellent playing record, both in League and Cup matches. With their supporter potential, don't their fans deserve the chance to play in the most professional grade of non-league football? Having had a very interesting chat with a few of their supporters not so long ago, on this very subject, I think that they would welcome the chance. I am doubly sure that having thrashed Dartford the other week they would be also convinced they would do well. Still, there is all that awful travelling to get used to . . . . .

And now for the long awaited SFC Wealdstone League table, "recent" results and top scorers. With postponements due to bad weather I am sure that the information below is not too much out of date!!

## CLUB SHOP NEWS

HOW nice it is to get back to Lower Mead after the several attempts to play our F.A. Trophy tie at Harlow. A number of supporters, not to mention the team, turned up at Harlow on Thursday last week after confirming by phone that the match would definitely be on. There certainly seemed to be a lack of communication along the line somewhere: perhaps we could all put in a claim for the wasted train fares or petrol! Nevertheless, quite a few Stones fans took the trouble to travel a few miles down the road and saw a cliff-hanger of a F.A. Trophy tie between Bishops Stortford and Bath City. Bath's class put them comfortably into a 2-0 lead with no sign of danger and only two minutes remaining. What seemed to be a late consolation goal as the disappointed home supporters were leaving the ground prompted a remarkable equaliser by the famed Lyndon Lynch who came on as substitute to give his side a chance in extra time. The match seemed to be swinging back in Bath's favour when a penalty was awarded for an innocuous foul by a Stortford defender, but the resultant penalty save fired the Isthmians to renewed efforts which so nearly brought them victory. The Gola side returned whilst we were actually playing at Harlow to win 2-1, and many Stones fans must have wished they had gone to Bishops Stortford again instead of straining eyes to see the action (?) on the Harlow pitch where binoculars would be advisable for future visits.

With so many postponements, Wealdstone supporters have had to look around for their football in recent weeks. Finding myself at Kings Cross at an early hour last Saturday and discovering the Gateshead game called off, I travelled down to Hampshire and chose an excellent Isthmian clash between Farnborough Town and Boreham Wood. I was very impressed with the set-up at Farnborough, a nice little stand, good catering, a well-organised Club Shop well stocked with souvenirs, raffles and Pontoon cards to swell club funds, and all in all the impression that it was a progressive club really going places. Throw in the yellow and blue strip, a good League placing and good development potential, and the five goals put past Boreham Wood in an entertaining eight goal feast, and I think you have a club that with luck will be a great asset to the Isthmian Premier next season. What an excellent programme too! Mind you, Boreham Wood's forward line were up against it from the start with names such as Tarquin Wollard, Harry Ramis, Leroy Rhodes and best of all Gursel Gulfer!

In the Club Shop today, supporters have the opportunity to catch up on belated reading with two editions of "Pyramid" magazine and also "Non-League Digest" to catch up on. There are also new editions of "Programme Monthly" and "Bureau of Non-League Football" to read, and hopefully the latest issue of "West Middlesex Review". Another two interesting reads on offer are "The Travelling Supporter's Guide to Football League Clubs" which sells at £2.00, and Tony Incenzo's "Accrington Stanley to Wembley" for £1.00. Pay us a visit - everyone is welcome!

## THE F.A. TROPHY

by Steve Marshall

WEALDSTONE first entered the Trophy in 1972/73, when, after disposing of Waterlooville (1-0), Andover (4-2) and Winchester City (1-0), we fell in the 3rd Qualifying Round to Banbury Utd. by 3-1.

A most depressing statistic is that on only two occasions since have Wealdstone won at least three Trophy matches in a season.

1973/74 is our most successful season to date, when we defeated Hatfield, Dunstable, Boston, Wimbledon (!) and Hastings Utd. before bowing out to South Shields in the Third Round (not the quarter-finals as many people think).

Who would believe that we then suffered 7 years of qualifying round exits to Finchley, Leatherhead, Barnet (twice), Harrow Borough, Harlow and Oxford City. The latter defeat is probably Bobby Moores best result as a Manager!

Having reached the 2nd Round proper in 1981/82, somebody else went mad in quoting us as one of the favourites for the Cup. A very strong Dagenham outfit supplemented by some eccentric refereeing put paid to that.

After 1st Round exits in the last two seasons at Wycombe Wanderers and Yeovil respectively, it is a relief to progress into the 2nd Round.

Gola League sides are poised to take a firm grip on the Trophy once again, and although Telford are probably everyones favourites, it is very rare for a side to be so successful in both the F.A. Cup and the Trophy in the same season and for the same reason I will discount Burton Albion. Dagenham, always a Trophy threat, proved my point by going out in this years first round at Barnet.

Three or four sides from the feeder leagues will present a strong challenge, and many predictions will be heard.

My last four? Enfield, Altrincham, Bath City and a team beginning with 'W'.

So for once I can't upset anyone today.

## New Super Stadium Planned

Club Chairman, David Morrilt, announced last week plans for a new £1 million Super Stadium as part of an ambitious project to bring League Soccer to Harrow.

Our present Lower Mead Stadium would be pulled down and the new Multi-purpose Stadium built on its site.

The new Stadium would have a capacity of 10,000 of which 7,000 would be seated. Planning permission for the Stadium will be sought for in the next couple of months from Harrow Council. The new development will include facilities for other sports in addition to the customary football.

The proposed scheme has been the dream of David Morrilt since joining Wealdstone some four years ago, and it is hoped that the new Stadium would be finished in time for the start of the 1986/87 season.

Whilst building was taking place Wealdstone will have to 'find a temporary "Home"'. Negotiations are going on to find a suitable Club willing to accommodate us during this period. Harrow Borough's Earlsmead Ground is one possibility, indeed Borough have been approached to join us in the venture. The Club has played at Lower Mead Stadium since 1923 having moved from College Farm Ground in Belmont Road, Wealdstone.

The new Stadium, when completed, would be named the Morrilt Stadium.
