ON THE BALL
with
Brian Hall

IN the very short time since the weather changed, it never ceases to amaze me that the playing surfaces change even quicker. In less than 3 weeks they have turned from soft muddy puddings into concrete slabs, and if you cast your mind back over the months to last August, you will appreciate the point that I am trying to make. Our weather has swung from one end of the pendulum to the other and back again. It is no surprise therefore, that I believe that British football, having to be played in such contrasting conditions, is surely the most testing in the world. The players must be totally flexible and be able to adapt their game accordingly. No wonder the Italians and Spaniards are scouring this country for players and coaches alike.

It is because of those vastly changing conditions that Wealdstone F.C. should be proud of their players who have managed to stay in the upper reaches of our own Gola League throughout the season, and with your help hope to strive into the last five games and come out the other side as champions.

We have a slight advantage over many other clubs inasmuch that George Perkins, Colin Saxby, and of course our own Supporters Club have kept our pitch very consistent over the past nine months, and I am indebted to them all. The surface this year has certainly been the best in the past 4/5 years that I have been at the club.

Other managers have said to me repeatedly "The pitch looks great, just like Wembley." There has got to be a message there somewhere!

Dixey Caretaker Manager at Nuneaton

FOLLOWING the departure of Graham Carr to manage Northampton Town on Thursday, Nuneaton Borough have appointed central defender Richard Dixey as caretaker manager. Assisting Dixey will be midfielder Tim Smithers and former player and club skipper Dave Lewis.

Nuneaton were naturally disappointed to see Carr depart from Manor Park, but he left with the best possible wishes of the club. Previously manager of Weymouth and Dartford, he has rejoined the club for whom he played in all four divisions of the Football League. He spent four years and four months in charge of Borough.

The appointment of a permanent manager is not likely until after the season has ended, but the post has reportedly already attracted the attention of several people of 'high calibre'.

SUPPORTERS CLUB NEWS

WE welcome Dagenham F.C. for this afternoon's Gola League match and trust all connected with the Victoria Road outfit enjoy their brief visit to Lower Mead.

The most important item on today's agenda is to draw our Supporters attention to the **Souvenir News**, to be found on a separate page in this programme. Provided all has gone to plan a large supply of new souvenir items will be on sale in the shop this afternoon. We are expecting a huge demand for all of these items and they will be sold on a strictly first-come, first-served basis. The Committee have spent hours recently attempting to assess likely demand for certain "one-off" items and a large amount (i.e. total amount!) of guess-work has taken place. So: **Buy today** to be certain of your Wembley scarf, rosette, hat, etc., etc. Prices of all items have been kept to a minimum - don't delay - we aim to sell out! We should also have the vast bulk of the **video orders** in this afternoon - please call into the shop to collect your copy, revised price is only £20.00.

The **Wembley replica shirt** orders have been rushed to our supplier. Those who missed the Monday night deadline cannot now guarantee a shirt prior to Wembley. Orders can nevertheless still be accepted. Remember time is now short!! The big day beckons - let's do our utmost to ensure a massive turn-out for the Stones.

CLUB SHOP NEWS

GOOD AFTERNOON everyone and welcome to this our last Saturday home game of the season. With erratic results from all the title contenders, it seems inevitable, though unfortunate, that we shall be unable to clinch the Championship in our final game at Lower Mead on May 1st against Frickley, but will have to see how we fare at Kettering and Barnet. The hard-earned home win over Kettering last Monday stopped our own "rot" at least, and we must put every effort into securing both points again today against our neighbours from Dagenham. After a recent narrow 3-2 Morrith Homes Capital League defeat away to today's visitors when we fielded the majority of our gallant Supporters' Club team, we must be optimistic of a favourable result, but we need only recall the Yeovil game to see how fatal the under-estimation of opposition at the wrong end of the table can be.

Although there are sure to be numerous other reminders in today's programme, I must reiterate how important it is to the club's finances that all supporters buy their tickets for Wembley in advance from the Club Office and not at the stadium turnstiles on the day of the match. Please get your tickets today, on Wednesday night or during the day in midweek from the Club Office.

The new issue (no.17) of "Pyramid Magazine" will hopefully be received in time for today's game, although the news concerning "Non-League Digest" is less encouraging. Mounting production problems and a grave cash flow situation are threatening the future of this excellent publication and of course postal problems in the area of origin have aggravated the position as regards the settlement of bills from clubs around the country as well as distribution of the last issue. Rumours are that the magazine has already folded, but I am told that there is still a chance of survival although the overdue issue is unlikely to be received by today. A few extra copies of the April edition of "West Middlesex Review" have been obtained for those who missed them earlier in the month, so please call in at the Club Shop today if you were unlucky previously.

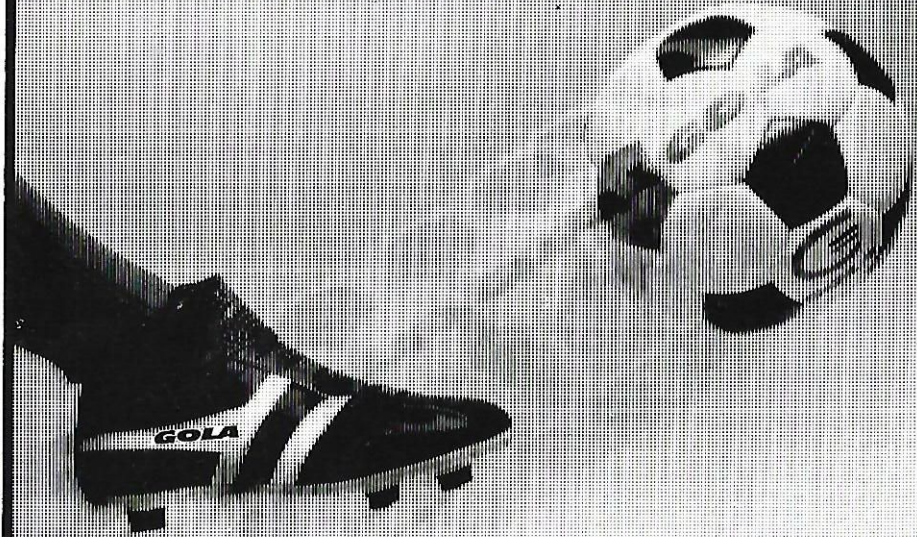

Our glut of Wembley souvenirs should start to arrive today and are mentioned elsewhere in the programme. As the town of Boston is likely to be emptied on May 11th, Wealdstone supporters should make every effort to be suitably adorned in blue and yellow to let the team know that we are there in force. We have never had any problem outstriking Non-League rivals so let's make it a visual spectacle to remember too!

As the season nears an end, supporters may wish to put their programme collection in order, so please remember that the official Wealdstone F.C. binders are still in stock at £1.30 (or four for £5.00). As end of season "sale bargains" we also have some past editions of the Rothmans Non-League Annuals which are now reduced from £4.95 to just £1.99 each whilst stocks last, as well as some more of our popular Wealdstone programme bundles (50 assorted homes for just 25p).

On the subject of programmes, advance notice is given for the 11th International Programme Fair which will take place on Saturday 1st June at the Connaught Rooms, Great Queen Street, W.C.2. (3 minutes walk from Holborn Underground station). The Fair will be open from 11 am to 4 pm and is the annual highlight for collectors with thousands of programmes on offer from the country's top dealers. Admission is 60p on the day itself or only 30p with a SAE in advance from me in the club shop today or on Wednesday.

For lapel badge collectors we have additions to our stocks from Bedworth Town and Uxbridge. I would also like to send good wishes to a regular badge "customer", Colin Downey, who has the privilege this afternoon of refereeing the F.A. Vase Final at Wembley. Having seen Colin perform on the T.V., he is clearly one of our best referees and would be welcome in charge of any of our games. Had he been officiating on Monday, I doubt whether we would have seen such ridiculous bookings for Messrs. Bowgett and Greenaway which at this stage of the season can easily lead to suspensions and have such a disruptive effect on the destination of trophies.

Lastly, I hope to see many regulars at Lower Mead take the opportunity to come and see the two remaining Fulham Rugby League fixtures tomorrow and next Friday, May 3rd. The Club Shop will be open on both occasions to give supporters an extra chance to stock up on Wembley scarves, hats, flags, etc. As I try to take more notice of Rugby in general in the press to avoid asking too many stupid questions, I wonder if anyone else saw the following report in the Daily Mail recently . . . "Phil Blakeway, who earned 19 caps as the iron man of English rugby, has been forced to retire because of a neck injury. He broke his neck in 1971 and 1977 and further injuries have threatened his playing career. This means England will have to find a new loose-head prop". The choice of expression was made even more amusing by Blakeway's likely successor - Peter Stiff!!
