### CLUB NOTES

Hello again to everyone.

This afternoon we bring down the curtain on our home league programme which is indeed a very poor one and a big disappointment to everyone after such a successful time last year when the club had interest right down to the last day of the season. However it is now behind us, except for the last away game against Bromley on Saturday next. Tuesday evening a very attractive fixture has been arranged against Luton Town at Lower Mead, K.O. 7.30 p.m. On May 19th, the eve of the Cup Final we have issued a challenge to Barnet, K.O. 7.30 p.m. at Underhill. Please make a note of these dates in your diary. Barnet look like winning, or at least being runners-up in the Premier Division of the Southern League. This could be a real thriller to close on for this season, so don't forget all roads lead to Barnet on May 19th.

On behalf of the Wealdstone Football Club thank you the supporters for your continued support through-

out the season; also to our gatemens for their help and the Supporters' Club for supplying refreshments; and thanks to our own ladies for their help and to the stand stewards; also to Nobby Clarke for keeping the ground in such wonderful condition. We also include in our list of thanks the national and local press for their help and a special word to Les Jones (Harrow Observer) for his coverage of first team and reserve matches. A special word of thanks to all our players for their efforts and of course to our training staff and coaches, and to Dr. Yhapp for his willingness to help at all times. The local police, Ron and Mary in the Bar, the programme sellers and the lad with many parts to play, Graham Guildford must all be included in our list of thanks. To anyone I may have forgotten, a big thank you to you.

This is not the end of the season yet at home, it's only the end of our league programme. But I would like to say thanks a lot to the staff of the

### The Social Club

During the close season our trade suffers due to having no football matches.

May I appeal to you to pay us a visit during the close season; bring your wife or girl friend, friends and relations to the club we are open every night of the week and Sunday mornings. Entertainment every Saturday and Sunday evening, dancing to a band. Sportsman's Bar and Lounge Bar will be opened just for you; remember if you only bought your cigarettes at the Club it's a great help, so may I ask you once again make your close season resolution be to bring a friend to the Club, especially on Sunday evenings to enjoy and take part in the entertainment provided by us just for you. See you at the Bar or Lounge; we shall be waiting to greet you with a smile.

Today it's our pleasure to welcome to Wealdstone Football Club our friends from Champion Hill, Dulwich Hamlet. We offer you a sincere welcome to Lower Mead, hope to see a

good game of football with the spoils going to the team that deserves them. Like ourselves, Dulwich have't had a very good season, so they will be all out to finish in a blaze of glory; so to all Wealdstone supporters let us hear that vocal support of yours from the terraces this afternoon and the team on the field won't let you down.

Speaking of terraces, please keep away from the Cinema end of the ground as work is still going on in this area. Please watch the children and warn them to keep away. So again let us hear you cheer the team to victory at our last home league game for this season.

### Fund Raising Competitions

During the close season is again the time when sales drop off. Now this year all you have to do to contact us is drop a line to Tom Verrall who will keep you supplied with tickets during the gap in football. Tom would like any retired persons interested in earning a couple of pounds each week to call and see him in the Club Hall after today's game, or see any of the Committee for details.

### SUPPORTERS CLUB NOTES

Good afternoon to Wealdstone supporters and a hearty welcome to our visitors from Champion Hill, Dulwich Hamlet. It seems a long time since we had the pleasure of seeing the Dulwich team at Lower Mead and it was in fact September 9th, 1965, for a league game with the 'Stones' winning by four goals to nil.

Next Tuesday, 2nd May we entertain the Luton first eleven in a friendly game here at Lower Mead and next Saturday, the 6th May we end our Isthmian League programme with a trip to Bromley. Please see Miss Robson this afternoon for what will probably be our last coach trip of the season. I have't of course forgotten the Supporters' Club outing to Littlehampton, and for those who have not already done so would they please pay Barbara for their tickets by Sunday, 14th May.

The new Stand at the Dominion end of the ground is taking shape and will be a real asset when it is finished. We cannot use the refreshment hut at that end because of the building work going on. Meanwhile Mrs. Verrall and her assistants are having a well-earned rest.

There will be various odd jobs to do around the ground during the summer recess, so if any of our supporters would like to give a hand and help out, would they please call and see our secretary in the Supporters' Club Office.

If you have any ideas or suggestions for the benefit of supporters as a whole, criticism or praise of what the Supporters' Club do or do not do, a word of thanks for someone who has helped the season along for you. Whatever it is why not write to me :- J. C. B., Wealdstone F.C. Supporters' Club, Lower Mead, Harrow. I look forward to hearing from you.

It is unfortunate that the friendly at Barnet on Friday, 19th May should clash with the Supporters' Club Dance here at Lower Mead. This is something completely beyond the control of the Supporters' Club and is very much regretted.

Another good win by the Lads on Monday puts us into the Final of the East Anglian Cup. Show your appreciation by letting Charlie and Co. hear just a little bit louder the cry :-

COME ON THE 'STONES'

## Our Chairman

Mr. JACK ROGERS

As we look back on another season we look around at what's happening. New Car Park, new Stand going up at the Cinema end of the ground. Market commenced in the Club Car Park. These things don't just happen. Someone has to look into the various problems which arise. Every club needs someone to act as their legal aid and guide and we are indeed very lucky to have Jack Rogers as that man.

For many years before a lot of us came of age Jack was helping to keep the flag flying at Lower Mead.

If it's a new roof on the Stand, or the Rates, or a new Stand, or problems in connection with the Floodlights, or the Car Park, or any of the other problems which crop up, then Jack's wisdom and business experience has been and is always at our service.

Since he first joined the Club in the early thirties he has held many offices including Hon. Press Secretary, Hon. Treasurer, Deputy Chairman and has been of tremendous help and we are indeed fortunate to have him as our Chairman.

Thank you Jack on behalf of everyone for all your work in the past and may you be with us for many, many years ahead.
